ADULT FOLLOW-UP SURVEY QUESTION BY QUESTION JUSTIFICATION

**This page intentionally left blank for double sided copying**

## QUESTION BY QUESTION SOURCE LIST FOR STREAMS ADULT SURVEY

This document lists each question on the STREAMS second follow-up survey, along with its source(s). The overall structure of the survey matches the first follow-up survey (previously approved), and both surveys include several of the same questions. New questions added for the second follow-up survey are indicated in the table and justified under the “Additional Information” column.

Second follow-up Q#	Question text	From first follow-up survey	Added to second follow-up survey	Additional information
<b>Section B. Relationship Attitudes and Skills</b>				
B1a	A good couple relationship is based on mutual respect.	X		Question B1a from STREAMS first follow-up survey. Original source: Personal Responsibility Education Program (PREP) Multi-Component Evaluation.
