

Supplemental Document: Justification for a no material/non-substantive change

ATF requests approval to make the following change to ATF Form 7(5310.12)/7CR(5310.16), collection 1140-0018:

For question #2 we would like to change “Applicant” Name to “Licensee” Name. By changing just this one word there will be less confusion as to what name should go in this field. Often applicants will put their own name here instead of the name of their corporation, which is the name that we really need to capture. This is our only proposed change- an effort to clarify what we’ve always asked for. We are not asking for any new/additional information.
