This appendix provides the 2019–20 National Postsecondary Student Aid Study (NPSAS:20) student records data collection instrument. The NPSAS:20 instrument remains largely unchanged from the instrument approved for NPSAS:20 qualitative testing [OMB# 1850-0803 v.243 & 247]. The changes noted below were developed based on the results of this qualitative testing[1] and based on the 2017-18 NPSAS Administrative Collection (NPSAS:18-AC) and are intended to improve data quality while also reducing respondent burden.

Table 1 lists all instrument items in this appendix and indicates any changes to the content of the instrument when compared to the instrument approved for NPSAS:20 qualitative testing. The table includes color coding to indicate whether items have remained the same (black), were revised (purple), removed (red), or added (green) when compared to the NPSAS:20 qualitative testing instrument.

Eligibility

BELIG

Student is eligible for NPSAS:20?

Note [Web and Excel mode]: this item defaults to Yes unless you change the selection.

Note [CSV mode]: if you leave this item blank, the student will be treated as eligible for NPSAS:20.

If you think that this student is ineligible for NPSAS:20, change the response to No and select a reason that the student is ineligible. If more than one reason applies, choose the reason that appears first on the list. You do not need to provide any other data for ineligible students.

Note about students ineligible due to a tuition refund: students who attended your institution in spring of 2020 and then received a full tuition refund solely due to COVID-19-related interruptions of study should be marked as eligible. These students should only be marked as ineligible if one of the other ineligible reasons applies (e.g., student was enrolled in a high school completion program, etc.).

The student is ineligible for NPSAS:20 if he or she meets any of the following conditions:
- Not enrolled at institution: Student was not enrolled at this institution at any time from July 1, 2019 to June 30, 2020.
- Tuition refund: Student was enrolled at one time but received a full tuition refund for all terms in study period from July 1, 2019 to June 30, 2020. If the student received a full tuition refund solely because of a COVID-19-related interruption of study but would otherwise be eligible for NPSAS:20, the student should be marked as eligible.
- Pays tuition to another institution: Student attends this institution under joint arrangements with another institution and pays tuition solely to the other institution.
- Length of program: Student was enrolled in an occupational/technical program of study less than 3 months or 300 clock/contact hours of instruction.
- Non-credit program: Student was enrolled, but not in at least one course that could be applied toward fulfilling requirements for an academic degree, a certificate or diploma program, or in a term for credit that could be transferred to another school.
- Completing high school: Student was still completing high school requirements as of the last term enrolled in the July 1, 2019 - June 30, 2020 academic year.
- GED or high school completion program: Student was enrolled solely in a GED or high school completion program as of the last term enrolled in the July 1, 2019 - June 30, 2020 academic year.
- Adult basic education program: Student was enrolled solely in an adult basic education program (e.g., ESL, literacy) as of the last term enrolled in the July 1, 2019 - June 30, 2020 academic year.

Residency for Tuition Purposes

Please indicate the student's tuition classification for the 2019-2020 academic year. An in-district student is a student who is a legal resident of the locality in which he/she attends school and thus is entitled to reduced tuition charges if offered by the institution.

An in-state student is a student who is a legal resident of the state in which he/she attends school.

A student may receive in-state or reduced tuition even if he/she is not a legal resident of the state, such as through programs that offer in-state tuition to veterans or through tuition reciprocity agreements with adjacent states. Report these students as "in-state tuition for other reason," even if the reduced tuition is higher than in-state tuition.

An out-of-state student is a student who is not a legal resident of the state in which he/she attends school.

    1 = In-district

BTMST[01-12]

Enrollment Status for [Term 01-12]

Enter the student's enrollment status in [term 1-12].

For institutions with interruptions of study related to COVID-19: If the student's enrollment status changed due to COVID-19 (e.g., for institution closure or a partial cancellation of a student's course load), please report the student's most recent enrollment status. For example, a student who was enrolled full time in spring 2020 but dropped to half-time status due to COVID-19-related course cancellations should be reported as half-time.

For institutions without interruptions of study related to COVID-19: If enrollment status was used to determine financial aid eligibility, report that enrollment status for this item. Otherwise, report the enrollment status as defined by your institution.

Institutions typically define enrollment status based on the number of credit or clock hours attempted. For example, students who are enrolled as a **full-time student** typically carry at least

- 12 semester or quarter hours per term at the undergraduate level or 9 credit hours per term at the graduate level.

- 24 semester hours or 36 quarter hours per academic year for an educational program using credit hours for a program of less than one academic year.

- 24 clock hours per week for an education program using clock hours.

0 = Not enrolled
1 = Full-time
2 = 3/4-time
3 = Half-time
4 = Less than half-time

BTMHR

Number of Credits or Clock Hours Enrolled in [Term 01-12] _____

Enter the number of credits or clock hours this student attempted for this term. If the student's credit or clock hours attempted changed due to COVID-19 (e.g., for institution closure or a partial cancellation of a student's course load), please report the student's most recent credit or clock hours attempted. For example, a student who was enrolled for 12 credit hours in spring 2020 but dropped to 6 credit hours due to COVID-19-related course cancellations should be reported as 6 credit hours. If you were not able to provide an enrollment status for this term, the number of credits or clock hours is critical for determining this student's enrollment intensity.

Budget

Please provide budgeted costs of attendance for the 2019-2020 academic year (July 1, 2019 to June 30, 2020). If possible, please provide a full-time/full-year budget for each student, even if the student was not enrolled full-time for the entire academic year. The budget costs should match the student's program and residence (e.g., on-campus, off-campus with parents, off-campus not with parents).

If possible, please provide the **full-time, full-year** budget that matches this student's program and residence, even if the student was not enrolled full-time for the entire year. (Below you will be asked to indicate whether the full-year budget includes costs for summer terms.)

For guidance on reporting budgeted costs of attendance for students impacted by COVID-19, please see the Student Records Handbook on the Resources page of the PDP or contact the Help Desk.

If a full-time, full-year budget is not available, you can use Pell guidelines to prorate the amount to reflect the costs for a full-time student enrolled for a full academic year in the student's academic program. Click here for definitions and more information about prorating costs of attendance.

If a full-time, full-year budget is not available, and you cannot provide a prorated amount, you may provide budgeted costs of attendance for other budget periods. For additional guidance and examples, please see the NPSAS:20 Student Records Handbook (available on the Resources page of the PDP).

Please provide budgeted costs of attendance for a full-time student enrolled for a full academic year.
Academic year: An academic year must include at least 30 weeks of instructional time for credit-hour based programs, or 26 weeks of instructional time for clock-hour based programs.

At a semester-based institution, the academic year typically includes fall and spring terms. At a trimester-based institution, the academic year typically includes fall, spring, and summer terms.

For more information about defining an academic year, visit [link]. A link to the FSA Handbook is also available on the Resources page of the PDP.

Full-time: The following minimum coursework standards are for undergraduate students enrolled full-time in the academic year:

- For credit-hour programs, at least 24 semester or trimester credit hours, or 36 quarter credit hours; or

- For clock-hour programs, at least 900 clock hours.

Adjusting budgeted costs of attendance: If your program costs are not for full-time, full-year enrollment, use the Pell guidelines to adjust your costs of attendance to report a full-time, full-year budget.

For more information about prorating costs of attendance for Pell, visit [link]. A link to the FSA Handbook is also available on the Resources page of the PDP.

Need-based aid is awarded based on an applicant's financial resources. Merit-based aid is awarded based on an applicant's academic achievement. Merit aid that was awarded without consideration of financial resources should be considered merit aid. However, if any part of the awarding criteria includes a student's financial resources, the aid is considered either "need-based" or "both need and merit-based." Aid based on neither need nor merit may include an applicant's non-academic talents, demographic, or other characteristics as the awarding criteria.

For help categorizing aid awards, see the Financial Aid Type Cheat Sheet on the Resources page of the PDP, or contact the Help Desk. Special financial aid awards for students impacted by COVID-19 should be reported as Aid for COVID-19 (type = 20). Refunds of tuition or fees due to COVID-19 should not be reported as financial aid; instead, they should be reported as "Tuition and Fees Refunded for COVID-19" in the Enrollment section.
