Pesticide Submission Portal

Welcome to the EPA's Pesticide Submission Portal!
Currently, this portal supports two types of submissions: Pesticide Submission and Data Call-in Response. To begin a submission, please select a type below.

Please do not perform any submissions at midnight (around 12:00 AM Eastern). The system will be undergoing maintenance at this time.
To identify an application related to List N: Disinfectants for Use Against SARS-CoV-2, select 'Yes' on the 'Application Information' screen for 'Emerging Pathogen.'

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2070-0044; EPA ICR No. 0278). The annual public reporting and recordkeeping burden for this collection of information is estimated to average **19 minutes per response**. Burden is defined in 5 CFR 1320.3(b). Responses to this collection of information are mandatory (40 CFR 152.132). An agency may not conduct or sponsor, and a person is not required to, respond to a collection of information unless it displays a currently valid OMB control number. You may send comments regarding the EPA's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Please include the OMB Control No. in any correspondence. Send only comments to this address.
