Following the Permit Selection (Table) / Engineering Proposals (Non-Table) section:

The screenshot shows the FCC Auctions application interface. The top navigation bar includes the FCC logo and the text 'Federal Communications Commission Auctions'. Below the navigation bar, the user is logged in as 'FRN 1234567890'. The main content area is titled 'Auction 3 MB Non-Table AM Auction'. The 'New Entrant Eligibility' section is active, displaying instructions and three radio button options: 'Not seeking the New Entrant bidding credit', 'Seeking New Entrant bidding credit - 35%' (which is selected), and 'Seeking New Entrant bidding credit - 25%'. A 'CONTINUE' button is visible at the bottom right of the section. A sidebar on the right contains a 'Steps' menu with 'New Entrant Eligibility' highlighted, and a 'Common Questions' section with a link to 'When is my data saved during the data entry process?'.

-- If *not seeking* the New Entrant bidding credit, then proceed to the Agreements section.

-- If *seeking* the New Entrant bidding credit (25% or 35%), then proceed to the **“Eligible Entity” Election** page, as shown below.

The screenshot shows the FCC Auctions application interface at the 'Eligible Entity' Election step. The top navigation bar and user information are the same as in the previous screenshot. The main content area is titled 'Auction 3 MB Non-Table AM Auction'. The '“Eligible Entity” Election' section is active, displaying the question: 'Does the applicant claim to be an “eligible entity,” as defined in 47 C.F.R. Section 73.5008(c), for purposes of claiming eligibility for the new entrant bidding credit?'. There are two radio button options: 'Yes' (which is selected) and 'No'. A 'CONTINUE' button is visible at the bottom right of the section. The sidebar on the right contains a 'Steps' menu with '“Eligible Entity” Election' highlighted, and a 'Common Questions' section with a link to 'When is my data saved during the data entry process?'.

-- If applicant claims *Yes*, to be an eligible entity, and is applying for 35% bidding credit, then proceed to the Agreements section.

-- If applicant claims *Yes*, to be an eligible entity, and is applying for 25% bidding credit, then proceed to the Add Facility or View/Edit Facilities page.

-- If applicant claims *No*, to not be an eligible entity, then proceed to the Agreements section.

-- If applicant does not select Yes or No, then display the following error page:

The screenshot displays the FCC Auctions application interface. At the top left is the FCC logo and the text "Federal Communications Commission". The page title is "Auctions" and the breadcrumb trail is "FCC > Wireless > Auctions > Auction Application". The user is logged in as "FRN 1234567890" with a "Log Out" link. The application details show "Applicant: sdfsf", "Initial Filing Closes: 10/01/2008 6:00 PM (ET)", and "Status: Not Submitted". The main heading is "Auction 3" and "MB Non-Table AM Auction". A red error box contains the message: "Error: New Entrant Bidding Credit 'Eligible Entity' status response is required". Below this is the "Eligible Entity" Election section with the question: "Does the applicant claim to be an 'eligible entity,' as defined in 47 C.F.R. Section 73.5008(c), for purposes of claiming eligibility for the new entrant bidding credit?". There are radio buttons for "Yes" and "No". Navigation buttons for "BACK" and "CONTINUE" are present. On the right, a "Steps" sidebar lists "Applicant Information", "Engineering Proposals", "New Entrant Eligibility" (selected), "Agreements", "Ownership", "Summary", and "Certify & Submit". A "Common Questions" section includes links for "When is my data saved during the data entry process?" and "What is the difference between a warning and an error?".
