

them consistent with Exchange Act Rule 17Ad-22(e)(16).<sup>18</sup>

Moreover, and as noted above, provisions in Exchange Act Rules 17Ad-22(e)(7) and (9) also promote the use of central bank services by a covered clearing agency to conduct money settlements,<sup>19</sup> satisfy requirements regarding custody of qualifying liquid resources<sup>20</sup> and enhance management of liquidity risk.<sup>21</sup> Accordingly, providing OCC with clear authority to use its Federal Reserve Bank Account to custody Specified Cash Margin Assets that are non-customer margin assets and cash Clearing Fund contributions at the same time is generally consistent with these provisions.

The proposed rule change is not inconsistent with the existing rules of OCC, including any other rules proposed to be amended.

*(B) Clearing Agency's Statement on Burden on Competition*

Section 17A(b)(3)(I) of the Exchange Act<sup>22</sup> requires that the rules of a clearing agency not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Exchange Act. OCC does not believe that the proposed rule change would impact or impose any burden on competition. The proposed rule change is designed to facilitate OCC's ability to appropriately safeguard Specified Cash Margin Assets that are non-customer margin assets and cash Clearing Fund contributions using OCC's Federal Reserve Bank Account. The proposed rule change would apply equally to all Clearing Members in that all Specified Cash Margin Assets that are non-customer margin assets and cash Clearing Fund contributions of Clearing Members would be eligible to be maintained in OCC's Federal Reserve Bank Account. Therefore, the proposal does not favor or disfavor any Clearing Member or group of Clearing Members compared to others.

For the foregoing reasons, OCC believes that the proposed rule change is in the public interest, would be consistent with the requirements of the Exchange Act applicable to clearing agencies, and would not impact or impose a burden on competition.

*(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others*

Written comments on the proposed rule change were not and are not intended to be solicited with respect to the proposed rule change and none have been received.

**Submission for OMB Review; Comment Request**

*Extension:*

Rule 17Ab2-1, Form CA-1.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in Rule 17Ab2-1 (17 CFR 240.17Ab2-1) and Form CA-1: Registration of Clearing Agencies (17 CFR 249b.200) under the Securities Exchange Act of 1934 ("Exchange Act") (15 U.S.C. 78a *et seq.*).

Rule 17Ab2-1 and Form CA-1 require clearing agencies to register with the

<sup>23</sup> 17 CFR 200.30-3(a)(12).

<sup>18</sup> 17 CFR 240.17Ad-22(e)(16).

<sup>19</sup> 17 CFR 240.17Ad-22(e)(9).

<sup>20</sup> 17 CFR 240.17Ad-22(a)(14)(i), (e)(7)(ii).

Commission and to meet certain requirements with regard to, among other things, the clearing agency's organization, capacities, and rules. The information is collected from the clearing agency upon the initial application for registration on Form CA-1. Thereafter, information is collected by amendment to the initial Form CA-1 when changes in circumstances that render certain information on Form CA-1 inaccurate, misleading, or incomplete necessitate modification of the information previously provided to the Commission.

The Commission uses the information disclosed on Form CA-1 to (i) determine whether an applicant meets the standards for registration set forth in Section 17A of the Exchange Act, (ii) enforce compliance with the Exchange Act's registration requirement, and (iii) provide information about specific registered clearing agencies for compliance and investigatory purposes. Without Rule 17Ab2-1, the Commission could not perform these duties as statutorily required.

The Commission staff estimates that the average Form CA-1 requires approximately 340 hours to complete and submit for approval, and that on average, the Commission receives one application each year. The Commission staff estimates that completion of an initial Form CA-1 will result in an internal cost of compliance of approximately \$132,140 per year. The Commission staff estimates that it receives one amendment per year, and that an amendment requires approximately 60 hours of the exempt or registered clearing agency's staff time. The Commission staff estimates that amendment of a filed Form CA-1 will result in an internal cost of compliance of approximately \$25,480 per year. Therefore, the aggregate hour burden is approximately 400 hours per year (340 + 60) and the aggregate internal cost of compliance is approximately \$157,620 per year (\$132,140 + \$25,480).

The external costs associated with work on Form CA-1 include fees charged by outside lawyers and accountants to assist the applicant or registrant to collect and prepare the information sought by the form (though such consultations are not required by the Commission). The Commission staff estimates that these external costs are more likely when novel questions arise under a new application, rather than under periodic review and amendment. The staff estimates an annual external cost of 45 hours of an Attorney's time (estimated at \$420 per hour) and 10 hours of a Senior Accountant's time (estimated at \$219 per hour) for

preparation of the Form CA-1, resulting in an aggregate external cost of approximately \$21,090 per year (18,900 + 2,190).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to (i) [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain) and (ii) David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o Cynthia Roscoe, 100 F Street NE, Washington, DC 20549, or by sending an email to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov).
