Individuals that hold Quota share (QS) in the BSAI Crab Rationalization Program may provide NMFS with the name of a designated beneficiary to receive survivorship transfer privileges in the event of the QS holder’s death.

If the QS holder does not have a surviving spouse, he/she may name **an immediate family member** to be the beneficiary. NMFS may approve an application to transfer QS to the surviving spouse or designated beneficiary, unless a contrary intent is expressed by the decedent in a Will and provided that sufficient evidence has been provided to verify the death of the individual.

NMFS will allow the transfer of individual fishing quota (IFQ) only (lease) resulting from the QS transferred to the beneficiary by right of survivorship, for a period of 3 years following the death of the original QS holder.

Use this form to designate the surviving spouse, or in the absence of a surviving spouse, an immediate family member to be the beneficiary for these purposes.
