

Dear [Name],

**We need your help!**

We have tried contacting you to invite you to participate in an important study concerning ovarian cancer. Your participation is important to us and will help us improve the health of women who have had ovarian cancer across our nation.

Using the study web link and your unique Personal Identification Number (PIN) below, please take a moment to answer a few questions to see if you are eligible for this study. If you are eligible for the study, you will be taken to the full study.

**Web link:** <<insert URL>>

**PIN:** <<PIN>>

Participation in the study is voluntary. You may choose not to answer any questions that you do not wish to answer. You can end your participation at any time. All information collected for this study will be kept confidential. Women who have been diagnosed with ovarian cancer, cancer of the fallopian tubes, or cancer of the primary peritoneum and complete the study will receive a \$10 Amazon gift code.

The information you provide will help CDC better understand how to help women with ovarian, fallopian tube, and primary peritoneal cancer as they are diagnosed, receive treatment, and begin to recover.

If you would like to learn more about the study or if you have any questions, please contact NORC at ovarian-survey@norc.org or call us toll free at <<800 line>>. NORC is conducting this study on behalf of CDC.

Sincerely,
