

Institutional Review Board Certification

Amendment Approval – Expedited Review

Principal Investigator/Project Director: Stephanie Poland

Department: Public Health

IRB Protocol Number: 18.07.05

Project Number: 8220

Protocol: Understanding Important Issues in Ovarian Cancer

Amendment description: Amendment 2 - The current amendment provides all of the details for the main data collection effort, including any assistance needed from various state cancer registries. All documents have been updated based on feedback from the cognitive interviews.

This certifies approval of the amendment described above by the NORC Institutional Review Board (IRB00000967), using the expedited review process as described in 45 CFR 46.110(b), under its Federalwide Assurance #FWA00000142, which is valid through July 19, 2023.
