

MEMORANDUM

DATE: March 16, 2020
TO: Jeff Hickman, Richard J Hanowski
FROM: Virginia Tech Institutional Review Board (FWA00000572, expires October 29, 2024)
PROTOCOL TITLE: Evaluation of the North American Fatigue Management Program
IRB NUMBER: 17-1087

Effective March 14, 2020, the Virginia Tech Institution Review Board (IRB) approved the Amendment request for the above-mentioned research protocol.

This approval provides permission to begin the human subject activities outlined in the IRB-approved protocol and supporting documents.

Plans to deviate from the approved protocol and/or supporting documents must be submitted to the IRB as an amendment request and approved by the IRB prior to the implementation of any changes, regardless of how minor, except where necessary to eliminate apparent immediate hazards to the subjects. Report within 5 business days to the IRB any injuries or other unanticipated or adverse events involving risks or harms to human research subjects or others.

All investigators (listed above) are required to comply with the researcher requirements outlined at:

<https://secure.research.vt.edu/external/irb/responsibilities.htm>

(Please review responsibilities before beginning your research.)

PROTOCOL INFORMATION:

Approved As: **Expedited, under 45 CFR 46.110 category(ies) 4,5,7**
Protocol Approval Date: **January 1, 2020**
Protocol Expiration Date: **December 31, 2020**
Continuing Review Due Date*: **December 10, 2020**

*Date a Continuing Review application is due to the IRB office if human subject activities covered under this protocol, including data analysis, are to continue beyond the Protocol Expiration Date.

ASSOCIATED FUNDING:

The table on the following page indicates whether grant proposals are related to this protocol, and which of the listed proposals, if any, have been compared to this protocol, if required.

SPECIAL INSTRUCTIONS:

*** The Virginia Tech IRB/HRPP has requested that research involving person-to-person contact or gatherings of human research participants be paused as soon as possible. The duration of the pause is unknown, but to reduce disruption to the extent possible, we will be reassessing daily. Although we continue to issue approval notices, Virginia Tech guidance should be followed. Please visit <https://www.research.vt.edu/covid-19-updates-impacts.html> for updates.

This amendment, submitted March 13, 2020, provides requested documentation from NIOSH regarding a determination if they are engaged in the research.

Date*	OSP Number	Sponsor	Grant Comparison Conducted?
11/07/2018	PIIG63X5	Centers for Disease Control & Prevention (Title: North American Fatigue Management Program Effectiveness in Reducing Commercial Truck Driver Fatigue)	Compared on 01/18/2018
12/21/2017		National Institute for Occupational Safety & Health	Compared on 01/01/2018

* Date this proposal number was compared, assessed as not requiring comparison, or comparison information was revised.

If this protocol is to cover any other grant proposals, please contact the HRPP office (irb@vt.edu) immediately.
