PLEDGE TO RESPONDENTS: The information you provide will be protected to the fullest extent allowable under the Public Health Service Act (42 USC 290aa(p)). This law permits the public release of identifiable information about an establishment only with the consent of that establishment and limits the use of the information to the purposes for which it was supplied. With the explicit consent of treatment facilities, information provided in response to survey questions marked with an asterisk may be published in SAMHSA's online Behavioral Health Treatment Services Locator, the *National Directory of Drug and Alcohol Abuse Treatment Programs*, and other publicly-available listings. Responses to non-asterisked questions will be published with no direct link to individual treatment facilities.

Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0930-0106. Public reporting burden for this collection of information is estimated to average 40 minutes per facility, per year, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to SAMHSA Reports Clearance Officer, 5600 Fishers Lane, Room 19E57-A, Rockville, Maryland 20857.
