

Office of Community Services (OCS) Community Services Block Grant (CSBG) Satisfaction Survey 2017

Introduction

As part of its revised performance management framework, and in line with its shared oversight and monitoring responsibilities, the Office of Community Services (OCS) is seeking feedback from Community Services Block Grant (CSBG) eligible entities to better understand and determine where to best focus our training and technical assistance efforts for the State CSBG Lead Agencies. This requires learning about your State CSBG Lead Agency's efforts this past year in developing and implementing the State Plan. The results of this survey will also provide data to the State CSBG Lead Agency that can be used in developing the State Plan and for reporting purposes.

Your participation, while voluntary, is critical for OCS to understand how well the State CSBG Lead Agencies, as part of the CSBG Network, are delivering services to local eligible entities, like yours, and to identify areas for improvement.

This survey is being administered by CFI Group, an *independent third-party research group*. Your answers will remain anonymous and neither the State CSBG Lead Agency nor OCS will see your responses. CFI Group will provide OCS and the Lead Agencies with aggregated reports for research and evaluation purposes only.

This survey will take no more than 30 minutes and will be open through July 14, 2017. It is authorized by the U.S. Office of Management and Budget Control No 0970-0382 which expires 07/31/18.
