2022 Users of Landsat Imagery Non-Response Survey

Thank you for participating in this study of Landsat satellite imagery! This survey will take about 5 minutes to complete. To move through the survey, click only on the "Next" and "Back" buttons at the bottom of the page in the survey. When you have answered all of the questions and are satisfied with your responses, click on the "Submit" button at the end of the survey.

1.	Have you used Landsat imagery in your work in the past year ? <i>Please select only one answer</i> .		
		Yes	
		No →END	
		PAGE BREAK	
2.	What is the primary application for which you have used Landsat imagery in your work in the past year ? <i>Please select only one. You will be able to select a secondary application in a subsequent question.</i>		
		Agricultural forecasting	
		Agricultural management/production/conservation	
		Biodiversity conservation	
		Climate science/change	
		Coastal science/monitoring/management	
		Cryospheric science (for example, sea ice, ice caps, glaciers, permafrost)	
		Ecological/ecosystem science/monitoring	
		Fish and wildlife science/management	
		Fire science/management	
		Forest science/management	
		Geology/volcanology	
		Land use/land cover change	
		Range/grassland science/management	
		Recreation science/management	
		Water resources (for example, watershed management, water rights, hydrology)	
		Energy (for example, oil, natural gas, coal)/metals/minerals exploration/extraction/development	
		Alternative energy exploration/development (e.g., wind, solar, geothermal)	
		Rural planning and development (for example, zoning, economic development, land use)	
		Urban planning and development (for example, zoning, economic development, land use)	
		Urbanization (for example, growth, sprawl)	
		Engineering/construction/surveying	
	П	Assessments and taxation	

3.

	Real estate/property management			
	Art/media			
	Cultural resource management/anthropology/archaeology			
	Software development			
	Telecommunications			
	Transportation			
	Utilities			
	Education: K-12			
	Education: university/college			
	Technical training (for example, workshops, short courses)			
	Emergency/disaster management			
	Hazard insurance (for example, crop, flood, fire)			
	Humanitarian aid			
	Public health			
	Defense/national security			
	Environmental regulation			
	Law enforcement			
	Other application (please specify)
