

Reactivation Suitability Request

Instructions: This form is used when seeking suitability approval for a former ATF confidential informant (CI). The ATF special agent (SA) or ATF task force officer (TFO) who will serve as the handler for the potential CI must complete this form. All fields must be typed and completed in full. Handwritten forms are not acceptable. If additional space is needed, continue on a separate sheet. Before performing as a CI, the individual must be approved by the Special Agent in Charge (SAC) or his/her designee and, in some instances, by the CI Review Committee (CIRC) or Department of Justice. Sections I. through IX. pertain solely to the individual who will perform as a CI, if approved. Section X. pertains to the CI handler. Section XI. pertains to the review and decision regarding this request by agency officials. Utilize the Confidential Informant Master Registry and Reporting System (CIMRRS) to locate and utilize the existing CI number and record. If one does not exist, create a CI record in CIMRRS to generate the required CI number.
