

Consumer Expenditure Survey

U.S. Census Bureau

RO Name

RO Number

In a few days, you will receive a letter inviting you to participate in the Consumer Expenditure Survey.

The Consumer Expenditure Survey collects information on spending for housing, groceries, health care, transportation, and more. These data are used to help compute the Consumer Price Index, a key measure of the health of the U.S. economy, and in studies of household spending.

For more information, visit <https://www.census.gov/programs-surveys/are-you-in-a-survey.html>.

Your cooperation makes a difference!
