

Justification for Non-Substantive Change

The Internal Revenue Service (IRS) is submitting this non-substantive change to OMB Control No. 1545-0029, Employer's Quarterly Federal Tax Return, in order to satisfy the Terms of Clearance issued with the approval of the change request on June 18, 2020 (ICR Reference Number: 202006-1545-004). The terms of clearance requested the submission of final version of the Form 941 with draft markings removed before or at the same time as form is released for public use. IRS is submitting the final version of the form in this change request submission.
