**Justification for No Material Change**

We have a need to add country field to this form to accommodate foreign entities.

Current:

Street Address *:

City *:

State *:

Zip Code *
(Sample - 12345 or 12345-1234) :

Suggested Design:

- Add Country field
- If Country = United States of America, no changes.
- If Country <> United States of America...thus a Foreign Address, then

Country * :

Germany

Address *:
