SUPPLEMENTARY INFORMATION:

Comments

The information collection notice was previously published in the **Federal Register** on January 16, 2020, at 85 FR 2755, allowing for a 60-day public comment period. USCIS did receive 4 comments in connection with the 60-day notice.

You may access the information collection instrument with instructions, or additional information by visiting the Federal eRulemaking Portal site at <http://www.regulations.gov> and enter USCIS-2005-0035 in the search box. The comments submitted to USCIS via this method are visible to the Office of Management and Budget and comply with the requirements of 5 CFR 1320.12(c). All submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to consider limiting the amount of personal information that you provide in any voluntary submission you make to DHS. DHS may withhold information provided in comments from public viewing that it determines may impact the privacy of an individual or is offensive. For additional information, please read the Privacy Act notice that is available via the link in the footer of <http://www.regulations.gov>.

Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection Request:* Revision of a Currently Approved Collection.

(2) *Title of the Form/Collection:* Application for Employment Authorization.

(3) *Agency form number, if any, and the applicable component of the DHS sponsoring the collection:* I-765; I-765WS; USCIS.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Form I-765 collects information needed to determine if an alien is eligible for an initial EAD, a replacement EAD, or a subsequent EAD upon the expiration of a previous EAD under the same eligibility category. Aliens in many immigration statuses are required to possess an EAD as evidence of work authorization. To be authorized for employment, an alien must be lawfully admitted for permanent residence or authorized to be so employed by the Immigration and Nationality Act (INA) or under regulations issued by DHS. Pursuant to statutory or regulatory authorization, certain classes of aliens are authorized to be employed in the United States without restrictions as to location or type of employment as a condition of their admission or subsequent change to one of the indicated classes. USCIS may determine the validity period assigned to any document issued evidencing an alien's authorization to work in the United States. These classes of aliens authorized to accept employment are listed in 8 CFR 274a.12.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated total number of respondents for the information collection I-765 is 2,286,000 and the estimated hour burden per response is 4.5 hours; the estimated total number of respondents for the information collection Biometric Processing is 302,535 and the estimated hour burden per response is 1.17 hours; the estimated total number of respondents for the information collection Form I-765WS is 302,000 and the estimated hour burden per response is .50 hours; the estimated total number of

respondents for the information collection Passport-Style Photographs is 2,286,000 and the estimated hour burden per response is .50 hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual hour burden associated with this collection is 11,934,966 hours.

(7) *An estimate of the total public burden (in cost) associated with the collection:* The estimated total annual cost burden associated with this collection of information is \$400,895,820.

Dated: April 15, 2020.
