Statewide Family Engagement Centers (SFEC) OY1 Annual Performance Review (APR)

Executive Summary

31. Please enter the number of parents participating in the specific type of SFEC activities described in GPRA Measure 1 below, if that number is available.

Please note that for the purposes of this question parents can be counted more than once if they participate in more than one of these types of activities, **so long as they participate in multiple distinct/different activities.**

GPRA Measure 1: The number of parents who are participating in SFEC activities designed to provide them with the information necessary to understand their annual school report cards and other opportunities for engagement under section 1116 and other related ESEA provisions.

32. Please enter the number of activities you have led under GPRA Measure 2, if that number is available.

GPRA Measure 2: The number of high-impact activities or services provided to build a statewide infrastructure for systemic family engagement that includes support for SEA- and LEA-level leadership and capacity-building.

*Please see the APR Guide for a definition of "high-impact activities or services."

33. Please enter the number of activities you have led under GPRA Measure 3, if that number is available.

GPRA Measure 3: The number of high-impact activities or services implemented to ensure that parents are trained and can effectively engage in activities that will improve student academic achievement, to include an understanding of how they can support learning in the classroom with activities at home or outside the school generally, as well as how they can participate in State and local decision-making processes.

*Please see the APR Guide for a definition of "high-impact activities or services."

34. Please enter the number of parents and families receiving any type of SFEC services.

This figure is the denominator for GPRA Measure 4.

GPRA Measure 4: The percentage of parents and families receiving SFEC services who report having enhanced capacity to work with schools and service providers effectively in meeting the academic and developmental needs of their children.

35. Please enter the number of parents and families receiving SFEC services who report having enhanced capacity to work with schools and service providers effectively in meeting the academic and developmental needs of their children.

This figure is the numerator for GPRA Measure 4.

Partners reported in this section contribute services, expertise, funds, or materials to the program. However, please do not report on advisory committee members in this section. You will use the Advisory Board page to share information about the advisory board members. You do not have to list the state education agency as a partner because this relationship is built into the structure of the grant. Please report on partnerships you have developed since receiving the grant.
