

DIRECT PLUS LOAN APPLICATION

William D. Ford Federal Direct Loan Program Direct PLUS Loan Request

Warning: Any person who knowingly makes a false statement or misrepresentation on this form will be subject to penalties which may include fines, imprisonment, or both, under the U.S. Criminal Code and 20 U.S.C. 1097.

Use this application to

- request a Direct PLUS Loan;
- change the amount of a Direct PLUS Loan you previously requested;
- authorize how the school may use your Direct PLUS Loan funds to pay for educational expenses;
- if you're a parent, designate who the school pays any credit balance to; and
- if you're a parent, request deferment of repayment while the student is in school and for up to 6 months after.

Some schools may have a different process for requesting a Direct PLUS Loan or may require additional steps not covered by this application. In most cases, once you select your school, we can tell you if the school has a different process and whether you need to contact the school's financial aid office for further information.

BEFORE YOU CONTINUE:

1. We conduct a credit check on all Direct PLUS Loan applicants.
 - If you have placed a security freeze on your credit file, you must lift or remove the freeze at each credit bureau before you continue. Your application will not be processed if you have a security freeze on your credit file.
 - To qualify for a Direct PLUS Loan, you must not have an adverse credit history. If the credit check shows that you have an adverse credit history, we will explain how you may still be able to qualify for a Direct PLUS Loan.
2. You must complete a Direct PLUS Loan Master Promissory Note (Direct PLUS Loan MPN),
 - Before you can receive a Direct PLUS Loan, you must complete a Direct PLUS Loan Master Promissory Note (Direct PLUS Loan MPN), which explains all of the terms and conditions of Direct PLUS Loans and is your legally binding agreement to repay all Direct PLUS Loans you receive under the Direct PLUS Loan MPN.
 - If you have not previously completed a Direct PLUS Loan MPN, you will have an opportunity to do so after you complete this Direct PLUS Loan Request.

WHAT TO EXPECT AFTER YOU SUBMIT YOUR DIRECT PLUS LOAN REQUEST:

When you submit your completed application, we will send your requested loan amount, and the additional information you provide as part of the application, to the school you select. The school will use that information to determine your eligibility for the Direct PLUS Loan and will tell you what loan amounts, if any, you are eligible to receive.

Request for Deferment

You may request deferment of repayment of your Direct PLUS Loan:

1. while the student is enrolled at an eligible school on at least a half-time basis; and
2. for a 6-month period beginning on the date the student ceases to be enrolled on at least a half-time basis.

During each deferment period, you will not be required to make any payments on your Direct PLUS

Loan. However, interest will continue to accrue. You will receive interest statements during the deferment period and may pay the accruing interest at any time. Any interest that you do not pay will be capitalized (added to your loan principal balance) at the end of the deferment period. Capitalization will increase your loan principal amount and the total cost of your loan.

If you defer repayment for both deferment periods described above, unpaid interest that accrues during the deferment periods will be capitalized only once, at the end of the additional 6-month deferment period.

If you do not request deferment, your Direct PLUS Loan enters repayment on the date of the last disbursement of the loan and the first payment will be due within 60 days. Your servicer will notify you of your payment due date and payment amount. If you later change your mind and decide that you wish to defer payments while the student is in school, you may request a deferment at any time while the student remains enrolled on at least a half-time basis.

Do you want to defer repayment of your Direct PLUS Loan while the student on whose behalf you obtained the loan is enrolled at an eligible school on at least a half-time basis?

[RADIO BUTTON] Yes

[RADIO BUTTON] No

Do you want to defer repayment of your Direct PLUS Loan for 6 months beginning on the date the student ceases to be enrolled on at least a half-time basis?

[RADIO BUTTON] Yes

[RADIO BUTTON] No

If you request deferment, your servicer will:

1. Provide you with the complete terms and conditions of the deferment; and
2. Give you the opportunity to cancel your deferment request and begin making payments on your loan.

Unless you cancel your deferment request, your servicer will grant a deferment on your Direct PLUS Loan that will begin on the day after the date the final disbursement of your Direct PLUS Loan is made, and end on the date the student ceases to be enrolled on at least a half-time basis or, if you requested the additional deferment period, six months after the student ceases to be enrolled on at least a half-time basis.

Credit Balance Option

You may have remaining loan funds after the school uses your Direct PLUS loan to pay for tuition and fees, room and board, and, if you provide authorization, other educationally related charges. The amount of the remaining loan funds is called a credit balance. If there is a credit balance, the school will pay it to you (the parent) directly by check or other means unless you authorize the school to pay the credit balance to the student. You're not required to provide this authorization.

If there is a credit balance after your Direct PLUS Loan has been applied to the student's school

account, to whom do you want the school to pay the credit balance?

[RADIO BUTTON] Me, the Parent

[RADIO BUTTON] The Student

Use of Loan Funds

Your school will use your Direct PLUS Loan to pay for student tuition and fees, and room and board. You may authorize the school to use your Direct PLUS Loan to satisfy other educationally related charges incurred at the school, such as library fines, campus parking tickets, lab fees, and charges for minor damage to school property.

You aren't required to provide this authorization and you may change the authorization at any time by contacting the school.

[CHECK BOX] **I authorize the school to use my Direct PLUS Loan to pay for other educationally related charges incurred at the school, as described above.**

Loan Information

Loan Amount Requested

For each academic year, you may borrow up to - but not more than - the school's cost of attendance, minus the amount of other financial assistance received. The school determines the cost of attendance based on federal guidelines. It is important not to borrow more than you can afford to repay, even if you are eligible to borrow more.

Credit Check

If you have placed a security freeze on your credit file, you must lift or remove the freeze at each credit bureau before you continue. Your application will not be processed if you have a security freeze on your credit file.

One of the eligibility requirements for receiving a Direct PLUS Loan is that you must not have an adverse credit history, unless you meet certain other requirements. When you submit this Direct PLUS Loan Application, the U.S. Department of Education will check your credit history. You will be notified of the result of the credit check and the credit decision resulting from the credit check will also be sent to the school that you have selected.
