[eservices.archives.gov/orderonline](https://eservices.archives.gov/orderonline)

***We receive orders more quickly when you submit them online.*** We will send you an e-mail confirming that we have your request and you will be able to track the order online at no additional cost.

Order reproduction service using this form is available **ONLY** from *Archival Operations Washington D.C., Form 85 – Pension, National Archives and Records Administration, 700 Pennsylvania Avenue NW, Washington, DC 20408-0001.*

### **IMPORTANT INFORMATION ABOUT YOUR ORDER**

The success of our search depends on the completeness and accuracy of the information you provide in blocks 2-17 on this form. Often there are many files for veterans of the same or nearly the same name. If there are three or fewer files for men with the same name as the individual in whom you are interested, we will examine the relevant files and compare their contents with the information that you have provided us. If the veteran's identity seems obvious, we will furnish you a copy of the file we think is the correct one. Please note that each NATF Form 85 is handled separately.

We cannot make a file-by-file check to see if the information in the numerous files matches that provided for the veteran in whom you are interested. In such cases, we suggest that you visit the National Archives and examine the various files, or hire a professional researcher to examine the files for you. We do not maintain a list of persons who do research for a fee; however, many researchers advertise their services in genealogical periodicals, usually available in libraries.

### **USE NATF FORM 86 TO OBTAIN COPIES OF MILITARY SERVICE RECORDS.**

#### **INSTRUCTIONS FOR COMPLETING THIS FORM**

Use a separate NATF Form 85 for each file that you request. You must complete blocks 1 – 6 or we cannot search for the file. Print your name (last, first, MI) and address in the box provided at the bottom of the form. This serves as your mailing label. **We destroy requests without return addresses.** Please enter the Card Validation Code, found on your card, in the space provided on the form (three or four digits). We will make reproductions of records that relate to your request. We accept Master Card, VISA, American Express, and Discover credit cards. Do NOT send cash or check. Forms with incomplete Credit Card information will be destroyed. **Make a copy of the completed form for your records.** Mail it to: *Archival Operations Washington D.C., Form 85 – Pension, National Archives and Records Administration, 700 Pennsylvania Avenue NW, Washington, DC 20408-0001.* Please allow up to 90 days for processing your order. If you provide your email address, we will send you an email with your order number. You can track the status of your order at our website, [eservices.archives.gov/orderonline](https://eservices.archives.gov/orderonline). We cannot provide digital certifications.

**RETURN POLICY:** Due to various factors, it is occasionally difficult for NARA to make a legible reproduction. NARA will notify customers and ask for approval to proceed if we anticipate a reproduction of questionable legibility. As a result, NARA does not provide refunds except in special cases. If a customer requests a refund, we review the order to determine if we properly notified the customer of the questionable nature of the original and if the product is a true representation of the original. If the product is a true representation of the original, we will not issue a refund. If you feel we processed your order incorrectly or it contains errors, please contact us within 30 days of your delivery date to have your issue verified. Once we verify the issue, we will correct the error and resend the documents. If we cannot correct the error, you will receive a refund.

**ELECTRONIC TRANSFER:** Electronic transfer allows you to download your files from a site, as opposed to having them mailed to you. You will be sent a link for the download. Click the link and download the file to a location of your choosing. Download speeds will vary based upon file size and your internet connection. A valid email address is necessary for electronic transfer. Total file transfers can be up to 5 GB. However, files of that size are typically separated into multiple, smaller files. Files will be available for 30 days from date of upload; downloads of the files should take place within that period. To ensure electronic receipt of your order, please add [electronic.delivery@nara.gov](mailto:electronic.delivery@nara.gov) to your trusted senders list. In some cases, certain email applications will move your reproduction orders to your spam box. Please monitor your spam box while awaiting your order.

## TYPES OF RECORDS THAT CAN BE ORDERED WITH THIS FORM

### FEDERAL PENSION APPLICATION FILES

**Full Pension Application File - Civil War (1860) and Later, (\$80 up to 100 pages + \$.70 per additional page); Pre Civil War (\$55):** Pension application files generally are most useful to those who are doing genealogical research and contain the most complete information regarding a soldier's military career. We suggest that you first request reproductions of a soldier's pension file. You should request reproductions of a bounty-land warrant file or a military record only when no pension file exists. If the veteran's service was during the Revolutionary War, bounty-land warrant applications have been consolidated with pension application papers. You can obtain both files by requesting the pension file only. Military service records rarely contain family information. Use NATF Form 86 to obtain reproductions of military service records.

Pension application files, based on Federal (not State or Confederate) service before World War I, usually include an official statement of the veteran's military service, as well as information of a personal nature. **Pension files for the Civil War and later can be very large and average more pages than pension files for previous wars so the National Archives Trust Fund sets a page limit on these items. If the file requested exceeds the page limit the researcher will receive the first block of pages along with a quote for the remaining pages. The customer must return the quote with payment to receive the remainder of the file.** Pensions based on military service for the Confederate States of America were authorized by some Southern States but not by the Federal Government until 1959. Inquiries about State pensions should be addressed to the State archives or equivalent agency at the capital of the veteran's State of residence after the war. See the special notes below about Confederate pensions.

**Pension Documents Packet (\$30):** The pension documents package will contain, to the extent that these documents are present in the file, 8 documents that contain genealogical information about the pension applicant. Not all of these documents will be found in every file. The package will include any of the following items that are in the file: (1) declaration of pension, (2) declaration of widow's pension, (3) Adjutant General statements of service, (4) questionnaires completed by applicants (numbered forms), (5) "Pension Dropped" cards, (6) marriage certificates, (7) death certificates, (8) discharge certificate. We will not provide a count of the remaining pages; if you wish to obtain a full pension file after reviewing the pension documents packet, you will need to order the complete file. If the entire pension file is no more than 10 pages, we will mark the order "Complete file provided."

### BOUNTY-LAND WARRANT APPLICATION FILES

**Bounty-land warrant application files (\$30)** are based on Federal (not State) service before 1856. Documents in a bounty-land warrant application file are similar to those in a pension application file. In addition, these files usually give the veteran's age and place of residence at the time the application was made. For a copy of the surrendered Bounty-Land Warrant, you will need to submit a request on NATF Form 84, National Archives Order for Copies of Land Entry Files.
