

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act³² and Rule 19b-4(f)(6) thereunder.³³

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act³⁴ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)³⁵ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange has represented that adopting the DRT routing functionality and eliminating references to certain duplicative routing options will conform its routing strategies to its affiliated exchanges and will eliminate any potential confusion for its Users. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest and hereby waives the operative delay and designates the proposal as operative upon filing.³⁶

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the

public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B) of the Act³⁷ to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Rules 15Ba1-1 through 15Ba1-8, SEC File No. 270-619, OMB Control No. 3235-0681.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information provided for in Rules 15Ba1-1 to 15Ba1-8 (17 CFR 240.15Ba1-1 to 17 CFR 240.15Ba1-8)—Registration of Municipal Advisors, under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (the "Act"). The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

On September 20, 2013 (*see* 78 FR 67468, November 12, 2013), the Commission adopted Rules 15Ba1-1 through 15Ba1-8 and Rule 15Bc4-1 under the Act to establish the rules by which a municipal advisor must obtain, maintain, and terminate its registration with the Commission. In addition, the rules interpret the definition of the term "municipal advisor," interpret the statutory exclusions from that definition, and provide certain additional regulatory exemptions. The rules became effective on January 13, 2014; however, on January 13, 2014, the Commission temporarily stayed such rules until July 1, 2014 (*see* 79 FR 2777, January 16, 2014). Amendments to Form MA and Form MA-I designed to eliminate aspects of the forms that request filers to provide certain forms of

³³ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

³⁶ For purposes only of waiving the 30-day operative delay, the Commission also has considered the proposed rule's impact on efficiency, competition, and capital formation. *See* 15 U.S.C. 78c(f).

personally identifiable information (“PII”), including Social Security numbers, dates of birth, or Foreign ID numbers became effective on May 14, 2018 (*see* 83 FR 22190, May 14, 2018). Section 15B(a)(1) of the Act makes it unlawful for a municipal advisor to provide advice to or on behalf of a municipal entity or obligated person with respect to municipal financial products or the issuance of municipal securities, or to undertake certain solicitations of a municipal entity or obligated person, unless the municipal advisor is registered with the Commission. The rules, among other things (i) require municipal advisors to file certain forms (*i.e.*, Form MA, Form MA–A, Form MA/A, Form MA–I, Form MA–I/A, Form MA–NR, and Form MA–W) with the Commission to obtain, maintain, or terminate their registration with the Commission and maintain certain books and records in accordance with the Act, and (ii) set forth how certain entities may meet the requirements of the statutory exclusions or regulatory exemptions from the definition of “municipal advisor.”

Form MA

The Commission estimates that approximately 35 respondents will submit new Form MA applications annually in each of the next three years.¹ The Commission further estimates that each submission will take approximately 3.5 hours. Thus, the total annual burden borne by respondents for submitting an initial Form MA application will be approximately 123 hours.² The Commission estimates that respondents submitting new Form MA applications would, on average, consult with outside counsel for one hour, at a rate of \$400/hour. Thus, the Commission estimates that the average total annual cost that may be incurred by all respondents filing new Form MA applications will be \$14,000.³ In addition to filing initial Form MA applications, the rules require municipal advisors to amend Form MA once annually (Form MA–A) and after the occurrence of any enumerated material event (Form MA/A). The requirement to amend Form MA applies to all registered municipal advisors. There are currently approximately 535 municipal advisors registered with the Commission and, as noted above, the

Commission anticipates receiving 105 new Form MA submissions over the next three years. Therefore, the Commission expects that the rules’ requirement to amend Form MA will apply to approximately 570 municipal advisors in year one, approximately 605 municipal advisors in year two, and approximately 640 municipal advisors in year three. The Commission estimates that completing an annual amendment would take a municipal advisor approximately 1.5 hours and completing a material event amendment would take 0.5 hours. The Commission further estimates that each municipal advisor will submit two amendments per year (one Form MA–A and one Form MA/A). Thus, the Commission estimates that the average annual burden borne by respondents for amending Form MA during the three-year period will be approximately 1,210 hours.⁴

Form MA–I

The Commission estimates that it will receive approximately 570 new Form MA–I submissions annually.⁵ The Commission further estimates that each Form MA–I submission will take approximately three hours to complete. Thus, the total annual burden borne by respondents submitting Form MA–I will be approximately 1,710 hours.⁶ The Commission also estimates that a Form MA–I respondent will submit 2.95 updating amendments per year (Form MA–I/A), and that each such amendment will take approximately 0.5 hours to complete.⁷ There are currently approximately 3,385 Form MA–Is on file with the Commission for natural persons currently associated with a municipal advisor and, as noted above, the Commission expects to receive 1,710 Form MA–I submissions over the next three years.⁸ Therefore, the Commission

⁴ $(570 \text{ respondents} \times 2 \text{ hours}) + (605 \text{ respondents} \times 2 \text{ hours}) + (640 \text{ respondents} \times 2 \text{ hours}) / 3 = 1,210 \text{ hours}$.

⁵ The estimate is derived by averaging the number of Form MA–I submissions over the last three years. There were 619 Form MA–I submissions in 2017, 466 Form MA–I submissions in 2018, and 624 Form MA–I submissions in 2019.

⁶ $570 \text{ submissions} \times 3 \text{ hours} = 1,710 \text{ hours}$.

⁷ The estimate is derived by averaging the number of updating amendments submitted by respondents over the last three years. In 2017, the average number is 2,078 Form MA–I/A/574 municipal advisors = 3.62. In 2018 the average number is 1,398 Form MA–I/A/555 municipal advisors = 2.52. In 2019, the average number is 1,442 Form MA–I/A/535 municipal advisors = 2.70. Averaging the average number of updating amendments for the last three years: $3.62 (2017) + 2.52 (2018) + 2.70 (2019) / 3 = 2.95 \text{ updating amendments per year}$.

⁸ The estimated number of active Form MA–I filings is derived by taking the total number of Form MA–I submissions with the Commission as of December 31, 2019 and subtracting the number of Form MA–I/A withdrawals as of the same date.

expects the rules’ requirement to amend Form MA–I to apply to approximately 3,955 Form MA–Is in year one, approximately 4,525 Form MA–Is in year two, and approximately 5,095 Form MA–Is in year three. Thus, the Commission estimates that the average annual burden borne by respondents submitting Form MA–I amendments during the three-year period will be approximately 6,674 hours.⁹

Form MA–W

The Commission estimates that it will receive 46 new Form MA–W submissions annually.¹⁰ The Commission further estimates that each Form MA–W submission will take approximately 0.5 hours to complete. Thus, the total annual burden borne by respondents submitting Form MA–W will be approximately 23 hours.¹¹

Form MA–NR

The Commission estimates that three municipal advisors will have a non-resident general partner, non-resident managing agent, or non-resident associated person and such advisors will submit a total of approximately five Form MA–NRs annually.¹² The Commission further estimates that each Form MA–NR submission will take approximately 1.5 hours to complete. Thus, the total annual burden borne by respondents submitting Form MA–NR will be approximately 7.5 hours.¹³ In addition, each respondent that submits a Form MA–NR must also provide an opinion of counsel. The Commission estimates that such an opinion of counsel would take three hours to complete, at a rate of \$400/hour. Thus, the Commission estimates that the total annual burden borne by respondents providing an opinion of counsel will be

$7,564 \text{ (Form MA–I submissions)} - 4,179 \text{ (Form MA–I/A withdrawals)} = 3,385 \text{ Form MA–Is on file}$.

⁹ $((3,955 \text{ Form MA–I/As} \times 2.95 \text{ amendments} \times 0.5 \text{ hours}) + (4,525 \text{ Form MA–I/As} \times 2.95 \text{ amendments} \times 0.5 \text{ hours}) + (5,095 \text{ Form MA–I/As} \times 2.95 \text{ amendments} \times 0.5 \text{ hours})) / 3 = 6,674.375 \text{ hours}$.

¹⁰ The estimate of 46 Form MA–W submissions is derived by averaging the number of Form MA–W submissions over the last two years. There were 46 Form MA–W submissions in 2018 and 2019 respectively. The filing number from 2017 was omitted because an abnormally large number of Form MA–W submissions were submitted (116 submissions in 2017), likely due to the advent of the Municipal Securities Rulemaking Board’s Series 50 exam requirement which became effective on September 12, 2017.

¹¹ $46 \text{ respondents} \times 0.5 \text{ hours} = 23 \text{ hours}$.

¹² The estimate is derived by averaging the number of Form MA–NR submissions over the last three years. There were seven Form MA–NR submissions in 2017, four Form MA–NR submissions in 2018, and five Form MA–NR submissions in 2019.

¹³ $3 \text{ respondents} \times (1.67 \text{ Form MA–NR submissions} \times 1.5 \text{ hours}) = 7.5 \text{ hours}$.

¹ The estimate is derived by averaging the number of Form MA filings over the last three years and rounding up. There were 39 Form MA submissions in 2017, 34 Form MA submissions in 2018, and 30 Form MA submissions in 2019.

² $35 \text{ respondents} \times 3.5 \text{ hours} = 122.5 \text{ hours}$.

³ $35 \text{ respondents} \times (\$400/\text{hour} \times 1 \text{ hour}) = \$14,000$.

approximately nine hours.¹⁴ The estimated average total cost that may be incurred by all respondents providing an opinion of counsel will be \$3,600.¹⁵

Consent to Service of Process

The Commission estimates that 35 new municipal advisors will have to develop a template document to use in obtaining written consents to service of process from their associated persons annually. The Commission further estimates that each template document will take approximately one hour to draft. Thus, the Commission estimates that the total annual burden borne by respondents developing a template document will be approximately 35 hours.¹⁶ In addition, the Commission estimates that municipal advisors will need to obtain 570 new consents to service of process from associated persons annually. The Commission further estimates that, after the written consents are drafted, it will take municipal advisors approximately 0.10 hours to obtain each consent. Thus, the Commission estimates that the total annual burden borne by respondents obtaining consents to service of process will be 92 hours.¹⁷

Books and Records To Be Maintained by Municipal Advisors

The Commission estimates 570, 605, and 640 municipal advisors will be subject to the books and records rules during each of the next three years, respectively. The Commission further estimates that the average annual burden for a municipal advisor to comply with the books and records requirement is approximately 182 hours. Thus, the Commission estimates that the average annual burden borne by respondents to comply with the books and records requirements during the three-year period will be approximately 110,110 hours.¹⁸

Independent Registered Municipal Advisor Exemption

The Commission estimates that approximately 231 persons will seek to rely on the independent registered municipal advisor exemption annually.¹⁹ The Commission further

estimates that the one-time burden of developing a written template disclosure document will be approximately one hour. Thus, the Commission estimates that the total one-time burden borne by respondents developing a template disclosure document will be approximately 231 hours.²⁰ The Commission also recognizes that respondents will be subject to a recurring burden each time they seek to rely on the exemption. The Commission estimates that respondents may seek the exemption on approximately 8,211 transactions annually.²¹ The Commission further estimates that the burden of obtaining the written representations needed from the municipal entity or obligated person client will be approximately 0.25 hours. Thus, the Commission estimates that the total annual burden borne by respondents seeking to rely on the independent registered municipal advisor exemption will be approximately 2,053 hours.²²

Municipal Escrow Investments

The Commission estimates that approximately 694 respondents will seek to rely on the municipal escrow investments exemption.²³ The Commission further estimates that the one-time burden of creating a template document to use in obtaining the written representations necessary to rely on the exemption will be approximately one hour. Thus, the Commission estimates that the total one-time burden borne by respondents developing a template document will be approximately 694 hours.²⁴ The Commission also recognizes that respondents will be subject to a recurring burden each time they seek to rely on the exemption. The Commission estimates the respondents will seek to rely on the exemption with approximately 2,321 municipal entity clients.²⁵ The Commission further estimates that the burden of obtaining the required written representations from the respondent's client will be approximately 0.25 hours. Thus, the

Commission estimates that the total annual burden borne by respondents seeking to rely on the municipal escrow investments exemption will be approximately 580 hours.²⁶

Proceeds of Municipal Securities

The Commission estimates that approximately 720 respondents will seek to rely on the proceeds of municipal securities exemption.²⁷ The Commission further estimates that the one-time burden of creating a template document to use in obtaining the written representations necessary to rely on the exemption will be approximately one hour. Thus, the Commission estimates that the total one-time burden borne by respondents developing a template document will be approximately 720 hours.²⁸ The Commission also recognizes that respondents will be subject to a recurring burden each time they seek to rely on the exemption. The Commission estimates that respondents will seek to rely on the exemption in connection with services provided to approximately 4,056 clients.²⁹ The Commission further estimates that the burden of obtaining the required written consents from the respondent's client will be approximately 0.25 hours. Thus, the Commission estimates that the total annual burden borne by respondents seeking to rely on proceeds of municipal securities exemption will be approximately 1,014 hours.³⁰

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility;

²⁶ 2,321 clients × 0.25 hours = 580.25 hours.

²⁷ The Commission estimates in this section are based on information reported directly by state-registered investment advisers in Item 5.D.(f)(1) within Form ADV. The number of state-registered investment advisers which have pooled investment vehicle clients (other than investment company and business development company clients) within Form ADV, Item 5.D.(f)(1) = 637. The percentage of state-registered investment advisers which have municipal government entity clients (other than investment company and business development company clients) within Form ADV, Item 5.D.(f)(1) = 4%. (637 × .04) = 26. The number of state-registered investment advisers relying on the exception to the definition of "municipal escrow investment" = 694. (26 + 694) = 720 respondents.

²⁸ 720 respondents × 1 hour = 720 hours.

²⁹ The number of municipal entity clients of state-registered investment advisers relying on the exception to the definition of "municipal escrow investment" in Item 5.D.(i)(1) within Form ADV = 2,321 clients. The number of pooled investment vehicle clients (other than investment company and business development company clients) of state-registered investment advisers in Item 5.D.(f)(1) within Form ADV = 1,735 clients. (2,321 + 1,735) = 4,056 clients.

³⁰ 4,056 clients × 0.25 hours = 1,014 hours.

¹⁴ 3 respondents × 3 hours = 9 hours.

¹⁵ 3 respondents × (3.0 hours × \$400/hour) = \$3,600.

¹⁶ 35 respondents × 1 hour = 35 hours.

¹⁷ 35 hours + (570 × 0.1 hours) = 92 hours.

¹⁸ ((570 respondents × 182 hours) + (605 respondents × 182 hours) + (640 respondents × 182 hours))/3 = 110,110 hours.

¹⁹ Estimate based on information obtained from Mergent Municipal Bond Securities Database. The estimate represents the average number of underwriters that participated in negotiated transactions from 2017 to 2019.

²⁰ 231 respondents × 1 hour = 231 hours.

²¹ Estimate based on information obtained from Mergent Municipal Bond Securities Database. The estimate represents the average number of negotiated deals using an underwriter each year.

²² 8,211 transactions × 0.25 hours = 2,052.75 hours.

²⁴ 694 respondents × 1 hour = 694 hours.

²⁵ The Commission estimates in this section are based on information reported directly by state-registered investment advisers in Item 5.D.(i)(1) within Form ADV.

(b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Extension:

Rule 147A(f)(1)(iii) Written Representation as to Purchaser Residency, SEC File No. 270-806, OMB Control No. 3235-0757.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Rule 147A(f)(1)(iii) (17 CFR 230.147A(f)(1)(iii)) requires the issuer to obtain from the purchaser a written representation as to the purchaser's residency in order to qualify for safe harbor under Securities Act Rule 147A (17 CFR 230.147A). Rule 147A is an exemption from registration under Securities Act Section 28 (15 U.S.C. 77z-3). Under Rule 147A, the purchaser in the offering must be a resident of the

same state or territory in which the issuer is a resident. While the formal representation of residency by itself is not sufficient to establish a reasonable belief that such purchasers are in-state residents, the representation requirement, together with the reasonable belief standard, may result in better compliance with the rule and maintaining appropriate investor protections. The representation of residency is not provided to the Commission. Approximately 700 respondents provide the information required by Rule 147A(f)(1)(iii) at an estimated 2.75 hours per response for a total annual reporting burden of 1,925 hours (2.75 hours x 700 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
