Section 3

<p>Exhibit 1: Rule 1000(b)(4)(ii) Notification of SCI Event Add/Remove/View</p>	<p>The SCI entity shall include:</p> <p>Part 1: All pertinent information known about the SCI event, including: (1) a detailed description of the SCI event; (2) the SCI entity’s current assessment of the types and number of market participants potentially affected by the SCI event; (3) the potential impact of the SCI event on the market; and (4) the SCI entity’s current assessment of the SCI event, including a discussion of the determination of whether the SCI event is a dissemination SCI event or not.</p> <p>Part 2: To the extent available as of the time of the notification: (1) a description of the steps the SCI entity is taking, or plans to take, with respect to the SCI event; (2) the time the SCI event was resolved or timeframe within which it is expected to be resolved; (3) a description of the SCI entity’s rule(s) and/or governing document(s), as applicable, that relate to the SCI event; and (4) an analysis of parties that may have experienced a loss, whether monetary or otherwise, due to the SCI event, the number of such parties, and an estimate of the aggregate amount of such loss.</p>
<p>Exhibit 2: Rule 1000(b)(4)(iii) Update Notification of SCI Event Add/Remove/View</p>	<p>The SCI entity shall provide an update of any information previously provided regarding the SCI event on Exhibit 1, including any information under Part 2 of Exhibit 1 which was not available at the time of submission of Exhibit 1. Subsequent updates shall update any information provided regarding the SCI event until the SCI event is resolved.</p>
<p>Exhibit 3: Information Disseminated Add/Remove/View</p>	<p>The SCI entity shall attach a copy in pdf or html format of any information disseminated to date regarding the SCI event to its members or participants or on the SCI entity’s publicly available website.</p>
<p>Exhibit 4: Rule 1000(b)(6) Notification of Planned Material System Changes Add/Remove/View</p>	<p>The SCI entity shall, absent exigent circumstances, notify the Commission in writing at least 30 calendar days before implementation of any planned material systems change, including a description of the planned material system changes as well as the expected dates of commencement and completion of implementation of such changes. If exigent circumstances exist, or if the information previously provided to the Commission regarding any planned material system change has become materially inaccurate, the SCI entity shall notify the Commission, either orally or in writing, with any oral notification to be memorialized within 24 hours after such oral notification by a written notification, as early as reasonably practicable.</p>
<p>Exhibit 5: Rule 1000(b)(8)(i) Report of SCI Review Add/Remove/View</p>	<p>Within 60 calendar days after its submission to senior management of the SCI entity, the SCI entity shall attach the report of the SCI review of the SCI entity’s compliance with Regulation SCI, together with any response by senior management.</p>
<p>Exhibit 6: Rule 1000(b)(8)(ii) Semi-Annual Report of Material Systems Changes Add/Remove/View</p>	<p>Within 30 calendar days after the end of June and December of each year, the SCI entity shall attach the report containing a summary description of the progress of any material systems change during the six-month period ending on June 30 or December 31, as the case may be, and the date, or expected date, of completion of implementation of such changes.</p>
<p>Exhibit 7: Rule 1000(b)(9)(iii) Notification of Designations and Standards under Rule 1000(b)(9) Add/Remove/View</p>	<p>The SCI entity shall attach: (1) its standards for designating members or participants it deems necessary, for the maintenance of fair and orderly markets in the event of the activation of its business continuity and disaster recovery plans, to participate in the testing of such plans pursuant to Rule 1000(b)(9)(i); and (2) a list of the designated members or participants, including the name and address of such members or participants.</p>
