Chinese

Tagalog

Vietnamese

French

Korean

German

Other

<sup>20</sup> Specify

<sup>21</sup> Enter any additional locating directions that should be carried over to the next round that would help in finding the household?

<sup>22</sup> \* Please select the topics each household member answered questions about.

Name	DOB	Conditions	Doctor's Visits	Other Medical	Prescribed Medicines	Jobs	Health Insurance
Joe Smith	07/27/1979	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Jane Smith		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pat Smith		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Jenny Smith		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<sup>23</sup> The following records were used during the interview (CA30 and OMB9). In addition to providing records such as these. Please enter any tips about how the RU can help collect better data in the next round.

<sup>24</sup> Enter any additional special instructions that should be carried over to the next round that would help with the completion of the interview? include such things as best time to contact, special needs of the respondent, or other considerations.

<sup>25</sup> \* Which of the following strategies helped you convert this refusal?

Asked a different RU member to complete the interview

Emphasized the respondent incentive

Provided reassurance about the confidentiality of the data

Promoted the importance of MEPS data and statistics for healthcare policy and research

Made a personal link between the RU members and the purpose of MEPS (e.g., costs and concerns about caring for an elderly household member)

Emphasized flexibility in the day, time or place of interview to accommodate respondent

Responded directly to "takes too much time" as a barrier to participation set interview up as just agreeing to this interview, not necessarily the whole panel; noted can stop participating at any time.

Switched language of interview, or used an interpreter

Emphasized that the RU cannot be replaced in the sample

Offered to conduct the interview by phone

Approached RU member as if unaware of prior contacts

Used another strategy to convert this refusal
