Call for Activities Submission Form

Activities recommended for inclusion or modification should be sent using the Improvement Activities Submission Template (below) to the email: CMSCallforActivities@abtassoc.com. Stakeholders will receive an email confirmation for their submission. Activities submitted by July 1, 2020 will be considered for inclusion for the Quality Payment Program Year 6 (2022). Improvement activities submitted after July 1, 2020 will be considered for inclusion in future years of the Quality Payment Program. All fields of this form must be completed in order for your submission to be considered.

We also refer submitters to the [2020 MIPS Improvement Activities list](#) on the [CMS Quality Payment Program resource library](#), which lists the complete inventory of current improvement activities for the Quality Payment Program Year 4 (2020). Submitters should ensure that proposed new activities do not duplicate existing ones.

MIPS improvement activities considered for selection should meet one or more of the acceptance criteria. The current list of acceptance criteria is as follows:

- Relevance to an existing improvement activities subcategory (or a proposed new subcategory);
- Importance of an activity toward achieving improved beneficiary health outcomes;
- Importance of an activity that could lead to improvement in practice to reduce health care disparities;
- Aligned with patient-centered medical homes;
- Focus on meaningful actions from the person and family's point of view;
- Supports the patient's family or personal caregiver;
- Representative of activities that multiple individual MIPS eligible clinicians or groups could perform (for example, primary care, specialty care);
- Feasible to implement, recognizing importance in minimizing burden, especially for small practices, practices in rural areas, or in areas designated as geographic HPSAs by HRSA;
- Evidence supports that an activity has a high probability of contributing to improved beneficiary health outcomes;
- Include a public health emergency as determined by the Secretary; or
- CMS is able to validate the activity
