Minor Revisions to the Collection Instrument

SSA is making the following revisions:

- **Change #1:** We are revising the PRA statements on these forms.

Justification #1: We are revising the PRA statements to reflect our current boilerplate language. The current language, which dates back to the last reprint of the forms, is now outdated.

- **Change #2:** We are making the signature fields fillable/signable.

Justification #2: To make the process easier to fill out these forms, we are making them signable.

SSA is making the following revision to the SSA-3192:

- **Change #1:** We are revising the third paragraph in the instructions to:

Employees and contractors with plainly obvious physical impairments can receive a two week temporary medical hangtag while the receipt of SSA-3193 Physician's Report is pending and should contact the Medical Parking Office directly at (410) 966-8814 or email to Parking.and.Credentialing@ssa.gov.

Justification #1: The new language is clearer and easier to read.

SSA is making the following revision to the SSA-3194:

- **Change #1:** We are discontinuing the use of Form SSA-3194.

Justification #1: The parking hangtags no longer have an expiration date, making the SSA-3194 obsolete.
