PMFO Fiscal Consulting Initiative Follow-Up Survey

This survey is part of a comprehensive and ongoing evaluation of services provided through the PMFO Fiscal Consulting Initiative (FCI). We ask that you take 5 minutes to provide your candid feedback to us so that PMFO can continuously monitor and improve the quality and impact of its services. This brief survey is voluntary, and all feedback will be kept private. To help ensure privacy, results will be shared in summary form only. Individuals will not be identified in our reports.

Please note that some survey items use a multi-point scale. If you are taking the survey on your phone, you may have to scroll down to see the entire scale. When finished, click the "Submit" button at the bottom of the final page to record your responses. You are free to move throughout the survey and change responses until you click "Submit."

If you have any questions about this survey, or if you experience technical issues, please contact the FCI survey administration coordinator, Katie Ness, at kness@donahue.umassp.edu or (413) 577-2004.
