TITLE OF INFORMATION COLLECTION: Evidence Building Academy Midpoint Evaluation Form

PURPOSE:

As part of the larger project, *Supporting Evidence Building in Child Welfare*, the Evidence-Building Academy (the Academy) aims to increase child welfare administrators’ and their evaluation partners’ capacity to do rigorous evaluations that provide critical information on program effectiveness and meet the design standards for child welfare clearinghouses.

The Academy is provided through a series of online workshops, held between July 20, 2020 and October 23, 2020. Through these individual workshops, participants will begin to build their capacity in designing and implementing evaluations for child welfare programs.

The purpose of the midpoint evaluation form is to solicit feedback from all attendees about their experience during the first portion of the Academy. Attendees are asked to describe their reactions to the initial session topics, general meeting structure, materials provided, as well as any questions they have on the content covered in the workshops. All registered attendees will receive an email requesting their participation and feedback, with an electronic link to the evaluation form. This will provide a quick and convenient opportunity for participants to contribute their feedback and reactions in order to shape future sessions for the Academy.

DESCRIPTION OF RESPONDENTS:

The evaluation form will be sent via email to all registered attendees of the Evidence Building Academy. Attendees will include child welfare administrators, staff, and evaluators who applied and were accepted into the Academy (N=174).
