The application (I-90) is used to replace or renew a Permanent Resident Card (formerly known as the Alien Registration Card or referred to as the Green Card).

Submit this application if your Green Card:

- Has expired
- Will expire
- Was lost, stolen, or destroyed

A Green Card is proof of your permanent resident status in the United States. It also serves as a valid identification document and proof that you are authorized to live and work permanently in the United States.

You may be eligible to apply to replace your Green Card if you are a:

- Lawful permanent resident
- Permanent resident in commuter status
- Conditional permanent resident whose current Green Card will not expire in the next 90 days

If you are a conditional permanent resident and your Green Card has expired or will expire in the next 90 days, you will need to file a Petition to Remove Conditions on Residence (I-751) to remove the conditions on your card.

We will automatically calculate the cost for you when you submit your application.

The application fee is \$540. This includes the \$455 standard fee plus an \$85 biometrics service fee. You do not have to pay the application fee if:

- Your previous card was issued but never delivered
- Your card was incorrect because of a Department of Homeland Security (DHS) error

If you are 14 years old and your card will expire after your 16th birthday, you only have to pay the \$85 biometrics fee.

Refund Policy

USCIS does not refund fees, regardless of any action we take on your application, petition or request.

By continuing this transaction, you acknowledge that you must submit fees in the exact amount and that you are paying the fees for a government service. You further agree that the filing fee, biometric fee, and any other paid costs related to this financial transaction are final and not refundable.

Please refer to the instructions for the form(s) you are filing for additional information or you may call the USCIS Contact Center at 800-375-5283. For TTY (deaf or hard of hearing) 800-767-1833.

Submitting your form online is the same as mailing in a completed paper form. They both gather the same information and cost the same.

We will automatically determine which documents you should provide us as you fill out your application.

The documents you need will depend on your current immigration status and the reason you are applying. After you submit your form, you can track its status through your USCIS account. Sign in to your account often to check your case status and read any important messages from USCIS.

If we need more information from you, we will send you a Request for Evidence (RFE) or Request for Information (RFI). You can respond to our request and upload your documents through your USCIS account.

A few weeks after you submit your application, we will contact you to schedule an appointment at an Application Support Center near you. At the appointment, we will get your fingerprints, photograph, and signature.

Once your application is approved, we will mail you your new Green Card. If your card cannot be delivered to your mailing address, we will hold it for up to 1 year before we destroy it. You can request that we resend your card by filing another application and indicating that your card was issued but never received.

You should answer all questions in the Getting Started section first so we can best customize the rest of your online form experience.

You should provide as many responses as you can. Incomplete fields or sections and missing information can slow down the process after you submit your form.

We will automatically save your information when you select next to go to a new page or navigate to another section of the form. We will save your information for 30 days from today, or from the last time you worked on the form.

After you start your form, you can sign in to your account to continue where you left off.

A preparer is anyone who completes or helps you complete all or part of your application using information and answers that you provide.

Street number and name

Apartment, suite, unit, or floor

Your current legal name is the name on your birth certificate, unless it changed after birth by a legal action such as marriage or court order. Do not provide any nicknames here. This is the name we will print on your card.

Provide your name exactly as it appears on your Permanent Resident Card, even if it is misspelled.

We will use your current mailing address to contact you throughout the application process. We may not be able to contact you if you do not provide a complete and valid address. Please provide a U.S. address only. USCIS will not mail your Green Card to a foreign address.

Street number and name

Street number and name
Apartment, suite, unit, or floor

Your A-Number is located on your Permanent Resident Card (formerly known as the Alien Registration Card or referred to as the Green Card), and consists of a 7, 8, or 9-digit number.

The A-Number may be located on the front or back of the card, depending on when the card was issued.

Where to find your A-Number
 [sample A-Number card image]

You can find your USCIS Online Account Number by signing in to your account and going to your profile page.

If you previously filed an application, petition, or request using the USCIS online filing system, provide the USCIS Online Account Number you were issued.

If you previously filed certain applications, petitions, or requests on a paper form via a USCIS Lockbox facility, you may have received a USCIS Online Account Access Notice issuing you a USCIS Online Account Number. You can find this number at the top of the notice.

The USCIS Online Account Number is not the same as the A-Number. The USCIS Online Account Number was previously called the USCIS Electronic Immigration System (USCIS ELIS) Number.

Providing your unique USCIS Online Account Number (OAN) helps us manage your account. You may already have an OAN if you previously filed certain paper forms and received an Account Access Notice in the mail. You can find the OAN at the top of the notice; it is not the same as an A-Number.
