MEMORANDUM

TO: Lindsay Abate  
Office of Management and Budget Desk Officer

FROM: Hilary Malawer  
Deputy General Counsel

RE: Emergency request for Paperwork Reduction Act (PRA) approval

Pursuant to the Office of Management and Budget (OMB) procedures established at 5 CFR 1320, ED requests that the following collection of information, CARES Act 18004(a)(3) Budget and Expenditure Reporting, be processed in accordance with section 1320.13 Emergency Processing. ED has determined that this information must be collected prior to the expiration of time periods established under Part 1320, and that this information is essential to the ED's ability to effectively implement the CARES Act, Pub. L. No. 116-136 (March 27, 2020) and address the economic disruption posed by the Novel (new) Coronavirus ("2019-nCoV").

Section 18004(a)(3) of the CARES Act authorizes the Secretary to allocate funds for part B of Title VII of the Higher Education Act of 1965, as amended, for institutions of higher education that the Secretary determines have the greatest unmet needs related to coronavirus. This collection includes a budget and expenditure reporting form for institutions potentially eligible for funds under this section.

If this emergency collection is not approved, the Department will be unable to issue these awards in a timely manner. These awards are particularly needed by IHEs that have experienced the greatest economic and educational disruptions caused by 2019-nCoV in order to support their recovery.

Given the short timeframe, ED is unable to consult with the public prior to issuing the forms. However, ED has ample experience designing other similar forms in a way that is clear and minimizes burden. We estimate that the form will require 2 hours to complete.

The Department is requesting an emergency clearance from OMB by July 17 and will publish an emergency notice with a 60 day comment period for the regular collection, and an eventual 30 day comment period as required by 5 CFR 1320.8(d), to solicit public comments on the regular information collection.
