Subject: Information Collection Activities: Proposed Collection - Comment Request

Greeting,

Hope all is well. I need your assistance. Currently, FNS is preparing our Generic Grants Clearance Package. This package allows FNS to publish each discretionary grant solicitation without posting notice within the Federal Register. So that we may comply with OMB regulations, please review and comment on the attached Information Collection process, as well as the FNS-906, FNS-908, and FNS-529, which are designed for our respondent groups.

Please provide your comments to Gregory Walton, Chief, Grants Management Operations Branch, at <u>greg.walton@fns.usda.gov</u> by close of business May 27, 2019. Please include your name, affiliation, title and main phone number or email with your comments.

Thank you,

Samantha Benjamin-Kirk Southeast Regional Farm to School Lead USDA Food and Nutrition Service 61 Forsyth Street SW Room 8T36 Atlanta, Georgia 30303 Office (404)-562-1813 Fax (855) 823-1867 Samantha.benjamin-kirk@fns.usda.gov
