SECTION A: CONDITIONS DIAGNOSED BY A DOCTOR

In the following two tables, please tell us if your child has ever been diagnosed **by a doctor or other health care provider** with any of these conditions.

See the enclosed glossary of terms if you don't know the meaning of a condition.

If you check "Yes," tell us the age at diagnosis.

For the chronic conditions in the first table, we also would like to know how many full siblings and how many half siblings have each condition

For some allergies and infections in the second table, we also ask that you tell us the specific type of allergy or number of times your child had the infection.
