- To third party contacts (e.g., employers and private pension plans) in situations where the party to be contacted has, or is expected to have, information relating to the individual's capability to manage his or her benefits or payments, or his or her eligibility for or entitlement to benefits or eligibility for payments, under the Social Security program; and
- To Federal, State, or local agencies (or agents on their behalf) for income maintenance or health maintenance programs including programs under the Social Security Act.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.
