SUPPLEMENTARY INFORMATION: Sections 410 and 423 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act provide for Disaster Unemployment Assistance (DUA) to eligible applicants who are unemployed as a direct result of a major disaster. State Workforce Agencies, through individual agreements with the Secretary of Labor, act as agents of the Federal government in providing DUA. Form ETA 902 is a monthly report that a State submits on DUA program activities once the President declares a disaster. The Social Security Act section 303(a)(6) authorizes this information collection. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on April 7, 2020 (85 FR 19505).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. OFFICE OF THE FEDERAL REGISTER

Publication Procedures for Federal Register Documents During a Funding Hiatus

AGENCY: Office of the Federal Register.

ACTION: Notice of special procedures.

SUMMARY: In the event of an appropriations lapse, the Office of the Federal Register (OFR) would be required to publish documents directly related to the performance of governmental functions necessary to address imminent threats to the safety of human life or protection of property and documents related to funded programs if delaying publication until the end of the appropriations lapse would prevent or significantly damage the execution of funded functions at the agency. Since it would be impracticable for the OFR to make case-by-case determinations as to whether certain documents are directly related to activities that qualify for an exemption under the Antideficiency Act, the OFR will place responsibility on agencies submitting documents to certify that their documents are authorized under the Act.
