Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995, no persons are required to a collection of information unless such collection displays a valid OMB control number. Public reporting burden for this collection of information is estimated to average 1 hour per response, including time for reviewing instructions, searching for existing data sources, gathering and maintaining the data need, and completing and reviewing the collection of information. The information is used to maintain a database of all OSHA authorized Outreach Training Program trainers. This form is completed monthly by the OTI Education Centers after completion an Outreach train the trainer course. Information provided is those students who have successfully completed the course. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Occupational Safety and Health Administration, Directorate of Standards and Guidance, 200 Constitution Avenue, NW, Room N3718, Washington, DC 20210 and reference the OMB Control Number. Note: Please do not return the completed OSHA Form to this address.
