Expiration Date: XX/XX/XXXX

Veterans Upward Bound (VUB) Program Annual Performance Report Program Year 2018-19

Authority: Public Law 102-325, as amended.

According to the *Paperwork Reduction Act of 1995*, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. Public reporting burden for this collection of information is estimated to average 17 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is required to obtain or retain benefit (Title IV, Sections 402A and 402C of the *Higher Education Act of 1965*, as amended; the program regulations in 34 CFR 645; and the Education Department General Administrative Regulations (EDGAR), in 34 CFR 74.51, 75.720, and 75.732). Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to regulations.gov during the public comment period for this collection of information. If you have specific questions about the form, instrument or survey, please contact Kenneth Foushee at 202-453-7417 or Kenneth.foushee@ed.gov.

B. Certification

The Project Director and Certifying Official are required to sign and date Section I, Part 1 of the 2018-19 Annual Performance Report form to certify the accuracy and completeness of the information submitted electronically. After completing the entire report online, you will be able to print a copy of Section I, which will include signature lines for the project director and certifying official. Once the form has been signed, please scan it and, using the functionality on the APR site, upload it. Only Section I should be uploaded— not any other portion of the report. **The signed copy of Section I must be uploaded within five business days of final submission of your APR.**

I have verified the information in this section.

Warning: Any person who knowingly makes a false statement or misrepresentation on this report is subject to penalties which may include fines, imprisonment, or both, under the United States Criminal Code and 20 U.S.C. 1097.

Further federal funds or other benefits may be withheld under these programs unless this report is completed and filed as required by existing law (20 U.S.C. 1231a) and

regulations (34 CFR 75.590 and 75.720).

26	Participant Status, for reporting year 2018-19	VetPartCD	<p>1 = New participant (for reporting period) 2 = Continuing participant (from immediately preceding reporting period) 3 = Reentry participant 4 = Prior-year participant</p> <p>For this report, please use the following definitions: A new participant is an individual who participated in the Veterans Upward Bound project for the first time in this reporting period. --A continuing participant is an individual who participated in the project in both the current reporting period and the reporting period immediately preceding. --A reentry participant is an individual who attended the educational program offered by the project in a previous reporting year, suspended his or her participation, and reentered the program during the current reporting year. You may also include in this category persons who completed the VUB program and returned to take it again, provided the participant had not enrolled in a program of postsecondary education. However, participants who enrolled in a postsecondary education program after leaving VUB (either completing VUB or not) are not eligible to reenter VUB. If a participant coded as "reentry" in one year (e.g., 2017-18) continues into the next year (e.g., 2018-19), he or she should be coded as "continuing" for the second year and for any subsequent year in which the student is served (2018-19 and continuous years thereafter). -A prior-year participant is an individual who participated in the Veterans Upward Bound program in a previous reporting period but who has not received services on a continual basis during the current reporting period. -The sum of the new, continuing, and reentry participants should equal the total number of participants the projects served during the reporting period.</p>		✓

From prior years’ APRs, the Department established postsecondary enrollment cohort year codes for participants through 2018-19; since these codes were derived from data that grantees had submitted, the Department will not allow changes to participants’ codes set in years prior to the current one. (See final pages of the General Instructions regarding criteria for establishing participants’ enrollment codes in the 2018-19 APR.) We also will not allow changes to code 9999.</p> <p>The cohort years and values in the grantee’s final 2017-18 APR are included in the file a grantee must download from the 2018-19 VUB APR Web application. Note: The Department has deleted certain older participant records from the download file. Privacy Act Statement - In accordance with the *Privacy Act of 1974* (Public Law No. 93-579, 5 U. S.C. 552A), you are hereby notified that the Department of Education is authorized to collect information to implement the Upward Bound program under Title IV of the *Higher Education Act of 1965*, as amended (Pub. Law 102-325, sec. 402A and 402C). In accordance with this authority, the Department receives and maintains personal information on participants in the Upward Bound program. The principal purpose for collecting this information is to administer the program, including tracking and evaluating participants' academic progress. Providing the information on this form is voluntary; failure to disclose personal information will not result in denial of any right, benefit, or privilege to which the participant is entitled. The information that is collected on this form will be retained in the program files and may be released to other Department officials in the performance of official duties. The information will not be disclosed outside of the Department, except as allowed by the *Privacy Act of 1974*, pursuant to the routine uses identified in the System of Records Notice titled "TRIO Programs Annual Performance Report (APR) System (TRIO APR)."
