Brain	(50 gr)	Yes <input type="checkbox"/>	No <input type="checkbox"/>																												
Kidney	(50 gr)	Yes <input type="checkbox"/>	No <input type="checkbox"/>																												
<p>Optional Samples (If Two or More of the Above Samples are Not Available):</p> <p>Bile, Spleen, Lung Yes <input type="checkbox"/> Specify _____</p>																															
<p>Other Samples of Interest if Vitreous or Urine are Not Available:</p> <p>Spinal Fluid (All Available) Yes <input type="checkbox"/> Gastric Contents (60 mL) Yes <input type="checkbox"/></p>																															
Samples Released to (Courier Service):	Received at FRA Laboratory by:																														
<p>Were there any signs of decomposition: ? Yes <input type="checkbox"/> No <input type="checkbox"/></p> <p>If yes, please explain _____</p> <p>_____</p> <p>Additional Remarks: _____</p> <p>_____</p>																															

Public reporting burden for this information collection is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. According to the Paperwork Reduction Act of 1995, a federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with, a collection of information unless it displays a currently valid OMB control number. The valid OMB control number for this information collection is **2130-0526**. All responses to this collection of information are mandatory. Send comments regarding this burden estimate or any other aspect of this collection, including suggestions for reducing this burden to: Information Collection Officer, Federal Railroad Administration, 1200 New Jersey Ave., N.W., Washington D.C. 20590.
