OMB No.: 2132-0544
Expiration Date: 08-31-2020

Collection of this information is authorized by the Pre-Award, Post Delivery Requirements Under Buy America 49 U.S.C. Section 5323(j) and (m). The collection of this information is required at the pre-award and post-delivery stages of the procurement process when using FTA funds, and maintain on file certifications. FTA requires manufacturers of rolling stock to provide a total of four certifications: 1) a pre-award certification produced by a vendor and given to a grantee that assures the procured rolling stock will comply with Buy America; 2) a post-award certification produced by a vendor and given to a grantee that consists of a summary report detailing the procured rolling stock's compliance with Buy America; 3) a post-award certification that the vehicle complies with FMVSS; and 4) a post-award certification that the vehicle complies with the grantee's procurement specifications. The reporting burden for this collection of information is estimated to average no more than 16 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Federal Transit Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590, ATTN: PRA (2132-0544).
