### Criminal History Questionnaire

The AmeriCorps application process requires a criminal history check to ensure community members with whom we work are protected, particularly children, individuals with disabilities, and individuals over 60 years old.

We are investigating for past sexual offenses and violent crimes, or crimes that would have a direct bearing on your service. This background check will entail a search of the National Sex Offenders Public Registry and may include a statewide criminal history repository check and/or a FBI criminal history check, which will require you to submit fingerprints.

You will not be permitted to serve or work with children, individuals with disabilities, or individuals over 60 years of age, without supervision, until the history check is complete and you are cleared. The review process is not lengthy, and normally is completed within weeks.

Answer the following questions fully. Existence of a criminal conviction or juvenile adjudication may or may not, depending on circumstances, disqualify you from consideration. However, any intentional misrepresentation or omission is grounds for disqualification.

[Click here for help.](#)

Answer the following questions and include misdemeanors and any offense that led to pre-trial intervention and/or fines other than speeding or parking tickets.

- Have you ever been convicted as an adult, or adjudicated as a juvenile offender, of at least one criminal offense by either a civilian or military court?**  Yes  No
- Are you currently facing charges for any offense, on probation or parole?**  Yes  No

If you answered yes to any of the questions above, please provide the following information. (To record multiple convictions/adjudications, click the "add another" button, below.)
