Please make corrections to name, address, and ZIP Code, if necessary.

The information you provide will be used for statistical purposes only. Your responses will be kept confidential and any person who willfully discloses ANY identifiable information about you or your operation is subject to a jail term, a fine, or both. This survey is conducted in accordance with the Confidential Information Protection provisions of Title V, Subtitle A, Public Law 107-347 and other applicable Federal laws. For more information on how we protect your information please visit: <https://www.nass.usda.gov/confidentiality>. Response is voluntary.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0535-0007. The time required to complete this information collection is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

- Report the total quantity of all rice by length of grain classes stored in this facility, or in transit from this facility regardless of ownership and intended uses.
- Stocks in transit should include rice controlled by your operation in transit between mills or warehouses and port facilities on March 1, 2020. Include any rice loaded aboard ships from your docks for which no ocean bill of lading has been issued.
- Government (CCC) owned rice stored in this facility should be included as well as all other stored here.
- Report milled rice (bulk and packaged) in equivalent 100 pounds. Enter "0" if answer for item is none.
