Response to Suspension Inquiry or Letter of Suspension

TEAS - Version 7.1

Please enter the **serial number** of the pending application for which you wish to respond to a Suspension Inquiry or Letter of Suspension. Then, click on the **NEXT** button, *below*. **NOTE:** You **must** respond to a Suspension Inquiry within six (6) months from the issue/mailing date of the Suspension Inquiry. If the issue/mailing date of the Suspension Inquiry is not known, please access the USPTO website at TSDR System, insert the application serial number, and view the applicable prosecution history event.

Although not required, you *may* use this form to respond to an actual Letter of Suspension, to present arguments in favor of removal of the application from suspension. The Applicant's election not to present argument during suspension will not affect the applicant's right to present argument later should a refusal, in fact, issue at a later point. If a refusal does issue, the applicant will be afforded six (6) months from the mailing or emailing date of that Office action to submit a response. Within this form, you may also enter additional data to satisfy an existing requirement(s) or other matter if appropriate, for example, to amend the listing of goods/services/the nature of the collective membership organization or enter a disclaimer.

TIMEOUT WARNING: After 25 minutes of inactivity, you will be prompted to continue your session. If you do not continue within 5 minutes, the session will end, you will be logged out of your USPTO.gov account, and you will lose any unsaved data in the form. Please have all of your information ready before you start.

Required fields are indicated with an asterisk (*).

TO ACCESS THE RESPONSE FORM:

STEP 1: CHECK STATUS.
To use this form, the "Current Status" of your application must be either "An Office action suspending further action on the application has been sent (issued) to the applicant" or "A suspension inquiry has been sent (issued) to the applicant." Use the Trademark Status & Document Retrieval (TSDR) to confirm the status before proceeding. If the application is not in the correct status, you must wait until the status is updated (usually 48-72 hours after receiving an email notice that an Office action has issued). Otherwise, you will receive an error message when you click the "Continue" button at the bottom of the page.

STEP 2: ENTER APPLICATION SERIAL NUMBER BELOW OR ACCESS PREVIOUSLY FILLED-OUT/SAVED FORM.

* **Serial Number:** [ ] ***(required only if completing a new response form; otherwise, access saved form, below)***

OR

To upload a previously saved form file, first review the TEAS Help instructions for accessing previously saved data and then use the "Browse..." button below to access the form file saved on your computer. **WARNING**: Failure to follow the TEAS Help instructions will result in the inability to edit your data.

NOTE: This button should **not** be used to attempt to upload or attach any other file, for example, a specimen file or a foreign registration certificate. For these or any other types of attachments, after answering "Yes" to the appropriate wizard question(s), you can then attach the file within the specific part of the form relating to that issue.

You should review the action and then answer "Yes" to any question that directly relates to a requirement raised in the action. You must respond explicitly to **each** requirement; that is, if the examining attorney requires specific wording, you must enter that wording in the proper place in the form.

A RESPONSE WITH ONLY YOUR SIGNATURE IS NOT ACCEPTABLE. Merely providing a response with a signature and no other information, or authorizing the examining attorney to make any necessary changes to the application *without specifying the exact changes*, is not a proper response to the Office action (except if the *only* issue raised was that the original filing was unsigned, improperly signed, or lacked the required declaration language).

- **Miscellaneous statement****

NOTE**: Do **not** use this section if you are also answering "Yes" to Question #3, *below*, which will then provide this field. Use this **only** if adding or modifying an existing description ***but not attaching a new mark image.
****NOTE**: The miscellaneous statement field includes the ability to attach a file, for example, to provide requested product literature. Do **not** use this section for attachments where a specific different section for the purpose already exists, for example, submission of a substitute specimen in #1, *above*. This field may also be used to request **DELETION (WITHDRAWAL)** of an additional statement currently of record, for example, a disclaimer (see specific instructions within form).

○ Yes ○ No

3. Do you need to submit a new drawing of the mark, either to change the mark itself or submit a better quality image?

○ Yes ○ No

5. Do you need to add a new class(es) of goods/services/a collective membership organization ?

NOTE: You may **not** add class(es)/goods/services, or any descriptive language in an identification that would result in a broadening of the scope of the current identification of goods/services/the collective membership organization.

NOTE: To pay the fee(s) for adding class(es), answer "Yes" to #6. To change an existing classification number or delete goods/services, answer "Yes" to #1.

○ Yes ○ No

If the answer is Yes, enter the number of classes: [ ]

6. Do you need to submit a fee for: (1) an existing or additional class of goods/services/a collective membership organization; (2) failing to satisfy the requirements of TEAS Plus; and/or (3) processing a payment that has been refused or charged back?

Serial number(s) [ ] should not be used as a citation(s) under Section 2(d), in the event that said serial number(s) mature(s) into a registration(s). I hereby request removal of this application from suspension, based on the following arguments. If the examining attorney is not persuaded by these arguments, I hereby request that this application be returned to suspended status, awaiting ultimate disposition of the referenced serial number(s).

Serial number(s) [ ] should not be used as a citation(s) under Section 2(d) because the applicant herein claims ownership of the referenced serial number(s), supported by a declaration. I hereby request removal of this application from suspension. If the examining attorney is not persuaded by this ownership claim, I hereby request that this application be returned to suspended status, awaiting ultimate disposition of the referenced serial number(s). You may only use this option if, under oath, you are able to attest to the ownership, based on facts that clearly support your claim of ownership. A declaration at the end of the form will specifically be provided for this purpose.

NOTE: You are not required to submit arguments at this time, and you may choose to have this application remain in a suspended status, until disposition of the referenced serial number(s); however, you may present arguments, if you believe the examining attorney will be convinced to remove the application from suspended status and continue prosecution (i.e., you do not want to wait for the prior-filed application(s) to register before determining whether a Section 2(d) refusal is warranted).

The applicant's election not to present arguments during suspension will not affect the applicant's right to present arguments later should a refusal in fact issue. If an Office action with a refusal does ultimately issue, the applicant will be afforded 6 months from the issue/mailing date of the Office action to submit a response.

*Listing of Goods/Services/Collective Membership Organization
Do not enter a Class or any other code in the field below. You must enter only the common commercial name for the specific goods/services/nature of the collective membership organization associated with the mark. While you may modify the current listing to clarify or limit the goods/services/nature of the collective membership organization or to remove goods/services, you may NOT at this point ADD to, or BROADEN, the goods/services/nature of the collective membership organization. A new filing would be required to cover any new goods/services or broadening of the nature of the collective membership organization not within the scope of the current identification.
WARNING: Registration Subject to Cancellation for Fraudulent Statements
Statements made in filings to the USPTO must be accurate; inaccuracies could result in the cancellation of a trademark registration. For example, an applicant's lack of a bona fide intention to use the mark with **all** goods/services included in an application, or the lack of use on **all** goods/services for which use is claimed, could jeopardize the validity of the resulting registration.
