One-time Course Sponsor Survey

Why the survey?

The NIOSH Spirometry Training Program is evaluating our service to certified courses, the effectiveness of the program changes implemented since 2005, and the usefulness of potential Program enhancements to our stakeholders. While this survey is not mandatory, your participation is critical to ensure that the NIOSH Pulmonary Function Testing Course Approval Program meets the needs of the courses, provides curriculum changes that enhance the educational objectives for spirometry training, and informs NIOSH as to what future content might be provided to better assist you in implementing your duties. The results of the survey are confidential and NIOSH staff will not have access to any one individual's responses. All data are rolled up into reports that have at least 10 responses to protect the confidentiality of all respondents to the survey.

Respondent Information

1. What role do you serve in the NIOSH-Approved Spirometry Training Program?

<input type="radio"/>	Course Director
<input type="radio"/>	Sponsor Representative
<input type="radio"/>	Both Course Director and Sponsor Representative

2. How long have you been involved with the NIOSH-Approved Spirometry Training Program?

<input type="radio"/>	Less than 5 years
<input type="radio"/>	5 to 10 years
<input type="radio"/>	11 to 20 years
<input type="radio"/>	More than 20 years

Public reporting burden of this collection of information is estimated to average 12 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0138).

Calibration Check Failure Troubleshooting - handout	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Spirometry Testing Guidelines - handout	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Contraindications to Spirometry Testing in the Occupational Setting - handout	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Maneuver Acceptability Errors and Corrective Actions - handout	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Spirometry Calculation Worksheet	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Serial Spirometry Calculation Worksheet	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

2. When NIOSH develops additional resources to enhance the educational objectives of the courses, what resources would you like to have? Choose the 3 most important resources.

Bank of video clips	<input type="radio"/>	Equipment recommendations	<input type="radio"/>
Bank of teaching slides (PowerPoint)	<input type="radio"/>	NHANES III LLN look-up tables	<input type="radio"/>
Bank of graphics (i.e., curves, testing technique, equipment, etc.)	<input type="radio"/>	NIOSH Refresher Training Guide or Modules	<input type="radio"/>
Equipment calibration reference sheet	<input type="radio"/>	SOP manual for spirometry testing	<input type="radio"/>

NIOSH Services – These questions will ask about the importance of services offered by the Program to the course faculty and sponsors. Please rank the following services, from most to least important to you, when interacting with our Program. (1 = most important; 5 = least important)

	1 st	2 nd	3 rd	4 th	5 th
Approve faculty	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Provide training resources	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Responsiveness to concerns from course directors and sponsors	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Provide feedback via curriculum reviews and course audits	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Market sponsors via the NIOSH internet sponsor listing and calendar	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Overall Program Satisfaction - These questions will ask your opinion about changes made to the Training Program since 2005.

1. Overall, changes to the NIOSH Spirometry Training Program have increased the effectiveness of the educational objectives.

<input type="radio"/>	Yes
<input type="radio"/>	No

2. Are there issues, not addressed in this survey, about which you would like to comment?

<input type="radio"/>	Yes
<input type="radio"/>	No

3. If yes, please write your comments in this section. Your comments are limited to 250 characters and spaces.
