Instructions - PS18-1807 Work Plan Template

| Row | Column Description |
|--|---|
| 1 | Column B-D: Enter District or Lead District Name |
| 1 | Column G: Enter Cooperative Agreement Number, the 3 digits after NU87PS2018-004XXX |
| 2 | Column B-D: Enter names of consortium districts, if applicable |
| "Tab" | "Tab" is a technical name that varies depending on Excel version being used. Tabs are also known as a worksheet, sheet, worksheet tab or sheet tab. |
| 4-5 | YRBS: Please provide information about your YRBS that you would like CDC DASH to know that may help with the TA they provide to you. This includes, but is not limited to, which surveys you plan to conduct (high school, middle school, etc.), semester (spring or fall), type of parent permission used (active or passive or mixed). Profiles: Please provide information about your Profiles that you would like CDC DASH to know that may help with the TA they provide to you. |
| 6-11: YRBS 6-11: Profiles | Period Performance Outcome: This section is locked and does not need any additional information. Period Performance Outcomes are short-term and intermediate performance outcomes aligned with each of the required activities listed below. Further information regarding the outcomes can be found in the logic model in Notice of Funding Opportunity PS18-1807. |
| | Column A: 1807 Required Activity and 1807 Additional Activity - pre-populated activity directly pulled from PS18-1807 |
| 12-35: YRBS 12-35: Profiles | Notice of Funding Opportunity, pages 10-11. Column B: Activity Number - numbered to separate the activities. More can be added as needed Column C-E: Description of Activity - provide a thorough description of the actions using a SMART format (specific, measureable, appropriate, reasonable, and time-phased). The description should specify measurable actions, be specific, and attainable. These may be incremental and written in a logical progression of actions and represent distinct functions or provision of services planned. Column F: Responsible Person - List the person or people responsible for completing this activity. Column G: Anticipated Start Date - Provide the month and year the activity is expected to begin. Column I: Proof of Completion/Product - List the product that will be the proof the activity was completed. Examples may include meeting minutes, the final questionnaire, the sampling frame, infographics, etc. |

Review survey implementation activities from previous cycle to identify what went well and what can be improved in the future to increase the quality of data and institutionalize the survey in their jurisdiction. Enter "**NA**" if your agency has never conducted the survey in your district before.
