

Form Approved
 OMB No. 0923-0057
 Exp. Date 07/31/2020

ATSDR estimates the average public reporting burden for this collection of information as 7 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection of information
