

# STEP-UP Participant Survey

## \*Note to NIH Project Clearance Branch/OMB:

Survey logic and branching results in length of instrument and presumed repeated education section (up to 10 education degrees can be listed).

Participants will only see questions that apply, so the survey skips to next relevant section/question.

OMB# 0925-0748

Expiration date: XX/XX/XXXX

The National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK) Office of Minority Health Research Coordination (OMHRC) would like to know about STEP-UP participants educational and professional achievements. As a former STEP-UP program participant, we are asking you to complete this brief questionnaire about your education and employment history. Your responses will help us assess the outcomes of the STEP-UP program.

Your participation in this questionnaire is completely voluntary and your survey responses will be kept secure to the extent permitted by law.

**Burden Disclosure:** Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA# 0925-0748. Do not return the completed form to this address.

Protecting your privacy is very important to us. We will keep your survey responses anonymous. Names and other personal identifiers will not appear in any report and we will not report individual information, such as education and professional achievements. Groups of records that contain information about an individual and are designed to be retrieved by the individual's name or other personal identifier linked to the individual are covered by the Privacy Act of 1974, as amended (5 U.S.C. Section 552a). All of the information that you share with us will be kept private under the Privacy Act. All findings from the survey will be presented in aggregate.

NIDDK will retain data collected through this survey long enough to achieve the specified objective for which they were collected. The data generated from these activities falls under the National Archives and Records Administration (NARA) General Records Schedule (GRS) 20-item IC 'Electronic Records,' and will be handled per the requirements of that schedule (<http://www.archives.gov/records-mgmt/grs/grs20.html>).

If you have questions about this privacy policy, please e-mail them to [NIDDKStepUpEval@nidk.gov](mailto:NIDDKStepUpEval@nidk.gov).
