

The purpose of this survey is to provide the Administration for Native Americans with information on your experiences with combating COVID-19 and adapting. Your participation is voluntary, and the information provided will be kept private.

1. What is your project's current staffing situation?
  - Project staff are mainly working in-person on-site
  - Project staff are mainly full-time telework
  - Project staff are working both in-on-site and teleworking
  - The project has experienced staff furloughs and has fewer staff currently working on the project than before the pandemic
  - The project has had difficulty hiring or refilling needed staff positions in the last 90 days
  - The tribe or organization that administers the project has temporarily closed
  - Other: (Comments:)
  
2. Approximately, what percent of your staff are currently working in-person on-site?
  - 0%
  - 1% to 24%
  - 25% to 49%
  - 50% to 74%
  - 75% to 99%
  - 100%
  
3. What adjustments have you had to make to or difficulties you encountered in managing your project or grant activities due to COVID-19? Select all that apply.
  - Activities had to be placed on hold or delayed, but have since restarted
  - Grant activities placed on hold and are still on hold.
  - Difficulty meeting non-federal match due to cancelled events, meetings, volunteer hours, etc.
  - Budget modifications or no-cost extensions needed due to cancelled or changed events or activities
  - Changes in staffing due to tribal or organizational office including financial, administrative, or other necessary staff furloughed
  - Businesses or partnerships no longer available for needed services
  - School or university closures affecting in-person classes or events
  - Travel restrictions limiting activities, training, or consultants
  - Changes to planned outreach and recruitment practices
  - Changing or canceling activities to protect vulnerable populations such as Elders
  - Locating sources of funding for the project

PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: The purpose of this information collection is to provide feedback to the Administration for Native Americans regarding grantees' experiences responding to the COVID-19 pandemic. Public reporting burden for this collection of information is estimated to average 2 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a voluntary collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The OMB # is 0970-0531 and the expiration date is 05/31/2021. If you have any comments on this collection of information, please contact Amy.Zukowski@acf.hhs.gov.
