Abstract: This notice pertains to the collection of information that enables the BLM to administer its program for wild horses and burros in compliance with the Wild Free-Roaming Horses and Burros Act (16 U.S.C 1331–1340). In addition to seeking renewal of control number 1004–0042, the BLM requests revision of an existing information-collection activity and form and requests the addition of an information-collection form that has been in use without a control number.

The revised form that includes sales is titled, “Application for Adoption & Sale of Wild Horse(s) and Burro(s)”.

The form that has been in use without a control number is Form 4710–24, “BLM Facility Requirement Form” for use by individuals and non-governmental organizations that participate along with the BLM in joint training programs to increase the

number of trained animals available for adoption or purchase.
