Future Developments

For the latest information about developments related to Form 8946 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/Form8946.

Purpose of Form

Form 8946 is used by foreign persons without a social security number (SSN) who want to prepare tax returns for compensation. Foreign persons who are tax return preparers must obtain a preparer tax identification number (PTIN) to prepare tax returns for compensation. Generally, the IRS requires an individual to provide an SSN to get a PTIN. Because foreign persons generally cannot get an SSN, they must file Form 8946 to establish their identity and status as a foreign person.

You must have a PTIN to prepare a tax return for compensation.

SSNs. Do not complete Form 8946 if:

- You have an SSN,
- You are eligible to get an SSN,
- You are a U.S. citizen, or
- You have been admitted by the United States for permanent residence or U.S. employment.

To get an SSN, see Form SS-5, Application for a Social Security Card. To get Form SS-5 or to find out if you are eligible to get an SSN, go to www.SSA.gov or contact a Social Security Administration (SSA) office.

If you have an application for an SSN pending, do not file Form 8946. Complete Form 8946 only if the SSA notifies you that an SSN cannot be issued.

If you already have an SSN, enter the SSN when you apply for your PTIN using Form W-12, IRS Paid Preparer Tax Identification Number (PTIN) Application and Renewal.

Telephone help. If you have questions about completing this form, the status of your application, or the return of your original documents submitted with this form, you may call the following phone numbers. If calling from the United States, call 1-877-613-PTIN (7846). For TTY/TDD assistance, call 1-877-613-3686. If calling internationally, call +1 915-342-5655 (not a toll-free number). Telephone help is generally available Monday through Friday from 8:00 a.m. through 5:00 p.m. Central time.

Who Must Apply

As part of applying for a PTIN, a foreign person must provide additional information either online or by mail with the Form 8946 to establish their identity and status as a foreign person. A foreign person is an individual who does not have and is not eligible to obtain an SSN **and** is neither a citizen of the United States nor a resident alien of the United States as defined in section 7701(b)(1)(A).

For the purposes of receiving a PTIN, the United States includes any state, territory, or possession of the United States, including a commonwealth, or the District of Columbia.

If you later obtain an SSN or become eligible for a SSN at any time, you will need to notify us once you actually receive your SSN so that it can be added to your PTIN account.

How To Apply

Online. Go to webpage www.irs.gov/ptin for information. During the PTIN application process, you will be prompted to complete and upload acceptable supporting documents. See examples of acceptable supporting documents listed in the table below.

Applying by mail. Complete both Form W-12 and Form 8946.

Send both forms and the supporting documents to the following address.

IRS Tax Professional PTIN Processing Center
1605 George Dieter PMB 678
El Paso, TX 79936

Allow 4 to 6 weeks for the IRS to process your application.

Submission of Form 8946. Submit the following.

1. Your completed Form 8946.
2. The original documents, certified copies, or notarized copies of documents that verify the information provided on Form 8946. If you are sending copies of documents, see the information below. The supporting documentation must be consistent with the information provided on Form 8946. For example, the name must be the same as on Form 8946, line 1 (or in the case of a civil birth certificate, line 3), and the date of birth must be the same as on Form 8946, line 3.

To avoid any loss of your documents, it is suggested you do not submit the original documentation.

A **certified document** is one that the original issuing agency provides and certifies as an exact copy of the original document and contains an official seal from the issuing agency. All certifications must stay attached to the copies of the documents when they're sent to the IRS. Certified documents have a stamp and/or an ink seal (may or may not be raised). Any document certified by a foreign official must be issued by the agency or official custodian of the original record. The foreign certification must clearly certify that each document is a true copy of the original. All certifications must stay attached to the copies of the documents when they are sent to the IRS.

A **notarized document** is one that has been notarized by a foreign notary legally authorized within his or her local jurisdiction or U.S. Consul/Embassy Employee to certify that each document is a true copy of the original. The notary must see the valid, unaltered, original documents and verify that the copies conform to the original. All of the notarized copies must bear the mark (stamp, signature, etc.) of the notary. Notarized documents may or may not have a signature but will have a stamp.

Original documents you submit will be returned to you at the mailing address shown on your Form 8946. You do not need to provide a return envelope. If your original documents are not returned within 60 days, you can call the phone numbers provided earlier under Telephone help. Copies of documents will not be returned.

If you submit an original valid passport (or a certified or notarized copy of a valid passport), you do not need to submit any other documents. Otherwise, you must submit two current documents that, when the combined information on the documents is taken into account, verify your identity **and** your status as a foreign person. At least one document must contain your photograph. The documents must be government issued. Examples of acceptable supporting documents are listed in the following table. If you submit copies of documents that display information on both sides, copies of both the front and back must be attached to the Form 8946. Do not attach expired documents.
