

Instructions for Application for Certificate of Citizenship

Department of Homeland Security
U.S. Citizenship and Immigration Services

USCIS
Form N-600
OMB No. 1615-0057
Expires 11/30/2021

What Is the Purpose of Form N-600?

Form N-600, Application for Certificate of Citizenship, is an application for a Certificate of Citizenship.

Who Should File Form N-600?

You should file this application if:

1. You are requesting a Certificate of Citizenship because you were born outside the United States to a U.S. citizen parent; **or**
2. You are requesting a Certificate of Citizenship because you automatically became a citizen of the United States after birth, but before you turned 18 years of age. (A parent or legal guardian can also file Form N-600 on behalf of a minor child.)

Citizenship law has changed over the years and different laws apply to determine whether you automatically became a U.S. citizen at birth. If you are claiming U.S. citizenship based on your birth abroad to U.S. citizen parents, the law in effect on the date of your birth applies. For purposes of these provisions, you must be the biological child of your U.S. citizen parent, and different provisions may apply depending on whether you were born in wedlock or out-of-wedlock.

If you are claiming U.S. citizenship after birth, but before you reached 18 years of age, the law that applies to you is the law in effect when the last qualifying condition was met. Generally, the conditions are listed below:

These conditions must be met before you turn 18 years of age:

1. Your parent must be a U.S. citizen;
2. You must be the biological child or adopted of that U.S. citizen parent;
3. You must be lawfully admitted to the United States for lawful permanent residence; **and**
4. You must be living in the United States in the legal and physical custody of your U.S. citizen parent.

You can file Form N-600 at any time if you became a U.S. citizen at birth or after birth, but before you turned 18 years of age. Filing this application is **NOT** a request to become a U.S. citizen. Filing this application is **ONLY** a request to obtain a Certificate of Citizenship which recognizes that you became a citizen on a particular date.

Adopted Child

An adopted child may also acquire U.S. citizenship through his or her adoptive U.S. citizen parent depending on the law being applied. Currently, an adopted child can acquire U.S. citizenship through his or her U.S. citizen parent. However, step children **CANNOT** acquire U.S. citizenship under this provision.

NOTE: If you are now 18 years of age, but all of the above conditions apply to you before your 18th birthday **and** you were under 18 years of age on February 27, 2001 (the date the law took effect), you may file this application to obtain a Certificate of Citizenship.

You may file this application if:

1. You claim to have acquired U.S. citizenship through a U.S. citizen parent and are now over 18 years of age; or
2. You are the U.S. citizen parent or legal guardian who has legal and physical custody of an adopted or biological child (under 18 years of age).

Law in Effect at the Time of Your Birth

To determine if you were born a U.S. citizen, U.S. Citizenship and Immigration Services (USCIS) must look at the law that was in effect at the time of your birth. The current law was enacted on November 14, 1986 **and** was last amended on February 27, 2001 (Child Citizenship Act). If you were born before November 14, 1986, and believe you may be a U.S. citizen, you should contact USCIS by visiting the USCIS website at www.uscis.gov or calling the USCIS National Customer Service Center at **1-800-375-5283**. For TTY (deaf or hard of hearing) call: **1-800-767-1833**.

Who Should Not File Form N-600?

You should not file this application if:

1. You do not have at least one biological or adoptive U.S. citizen parent;
2. You are the child of a U.S. citizen parent and you regularly reside outside the United States. Refer to Form N-600K, Application for Citizenship and Issuance of Certificate Under Section 322;
3. You were born out-of-wedlock, you were not legitimated, and your only U.S. citizen parent is your father;
4. You are seeking to replace a lost or stolen certificate. Refer to Form N-565, Application for Replacement Naturalization/Citizenship Document, for information to replace a lost or stolen certificate; or
5. You already filed Form N-600 and received a decision from USCIS on that previously filed Form N-600. USCIS will reject (not accept) any subsequently filed Form N-600. Review your Form N-600 denial notice for more information.

General Instructions

USCIS provides forms free of charge through the USCIS website. In order to view, print, or fill out our forms, you should use the latest version of Adobe Reader, which you can download for free at <http://get.adobe.com/reader/>. If you do not have internet access, you may order USCIS forms by calling the USCIS Contact Center at **1-800-375-5283**. The USCIS Contact Center provides information in English and Spanish. For TTY (deaf or hard of hearing) call: **1-800-767-1833**.

Signature. Each application must be properly signed and filed. For all signatures on this application, USCIS will not accept a stamped or typewritten name in place of a signature. If you are under 14 years of age, your parent or legal guardian may sign the application on your behalf. A legal guardian may also sign for a mentally incompetent person.

Validity of Signatures. USCIS will consider a photocopied, faxed, or scanned copy of the original, handwritten signature valid for filing purposes. The photocopy, fax, or scan must be of the original document containing the handwritten, ink signature.

Filing Fee. Each application must be accompanied by the appropriate filing fee and biometric services fee (if applicable). (See the **What Is the Filing Fee** section of these Instructions.)

Evidence. At the time of filing, you must submit all evidence and supporting documents listed in the **What Evidence Must You Submit** and/or **Specific Instructions** sections of these Instructions.

Biometric Services Appointment. Every individual who is an applicant, petitioner, derivative, beneficiary, or sponsor of an immigration benefit request or other request submitted to USCIS is required to submit biometrics unless USCIS waives or exempts the requirement. You will be notified of the time and place of your appointment if you must appear and you will be provided requirements for rescheduling if necessary. If you fail to submit any biometrics as required, USCIS may deny your application, petition, or request.

DHS may store the biometrics submitted by an individual and use or reuse biometrics to conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), verify identity, produce documents, determine eligibility for immigration and naturalization benefits, or to perform any other functions necessary for administering and enforcing immigration and naturalization laws, and any other law within DHS authority.

If you are required to provide biometrics, at your appointment you must sign an oath reaffirming that:

1. You provided or authorized all information in the application;
2. You reviewed and understood all of the information contained in, and submitted with, your application; and
3. All of this information was complete, true, and correct at the time of filing.

If you are a U.S. citizen filing this form on behalf of a child under the age of 14, you may provide your signature at the ASC, instead of your child signing for **themselves**.

Copies. You should submit legible **photocopies** of documents requested, unless the Instructions specifically state that you must submit an original document. USCIS may request an original document at the time of filing or at any time during processing of an application or petition. If USCIS requests an original document from you, it will be returned to you after USCIS determines it no longer needs your original.

NOTE: If you submit original documents when not required or requested by USCIS, **your original documents may be immediately destroyed after we receive them.**

Translations. If you submit a document with information in a foreign language, you must also submit a full English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English. The certification must also include the translator's signature, printed name, the signature date, and the translator's contact information.

How To Fill Out Form N-600

NOTE: There is no filing fee or biometric services fee for Form N-600 if you are a member or veteran of any branch of the U.S. Armed Forces filing on your own behalf. You must attach proof of U.S. military service; otherwise USCIS will charge a filing fee and a biometric services fee to file the Form N-600. Children of members or veterans of the Armed Forces are required to pay the filing fee for Form N-600.

NOTE: The filing fee and biometric services fee are not refundable, regardless of any action USCIS takes on this application. **DO NOT MAIL CASH.** You must submit all fees in the exact amounts.

Payments by Checks or Money Orders

Use the following guidelines when you prepare your checks or money orders for the Form N-600 filing fee and biometric services fee:

1. The checks or money orders must be drawn on a bank or other financial institution located in the United States and must be payable in U.S. currency; **and**
2. Make the checks or money orders payable to **U.S. Department of Homeland Security**.

NOTE: Spell out U.S. Department of Homeland Security; do not use the initials “USDHS” or “DHS.”

If USCIS rejects your Form N-600 for any of the reasons above, the application and any filing fees will be returned to you if you provided a complete and valid mailing address.

Notice To Those Paying by Check. If you send USCIS a check, we will convert it into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually take 24 hours and your bank will show it on your regular account statement.

You will not receive your original check back. We will destroy your original check, but will keep a copy of it. If USCIS cannot process the EFT for technical reasons, you authorize us to process the copy in place of your original check. If your check is returned as unpayable, USCIS will re-submit the payment to the financial institution one time. If the check is returned as unpayable a second time, we will reject your application and charge you a returned check fee.

Payments by Credit Card

If you are filing your form at a USCIS Lockbox facility, you can pay your filing fee and biometric services fee using a credit card. Please see Form G-1450, Authorization for Credit Card Transactions, at www.uscis.gov/G-1450 for more information.

How To Check If the Fees Are Correct

Form N-600's filing fee and biometric services fee are current as of the edition date in the lower left corner of this page. However, because USCIS fees change periodically, you can verify that the fees are correct by following one of the steps below.

2. Visit the USCIS Contact Center at www.uscis.gov/contactcenter to get answers to your questions and connect with a live USCIS representative. The USCIS Contact Center provides information in English and Spanish. For TTY (deaf or hard of hearing) call: **1-800-767-1833**.

Fee Waiver

You may be eligible for a fee waiver under 8 CFR 103.7(c). Initial Processing. Once USCIS accepts your application, we will check it for completeness. If you do not completely fill out this application, you will not establish a basis for your eligibility and USCIS may reject or deny your application.

Requests for More Information. USCIS may request that you provide more information or evidence to support your application. If we request an original document from you, it will be returned to you after USCIS determines it no longer needs your original.
