**SUPPLEMENTARY INFORMATION:** CPSC seeks to renew the following currently approved collection of information:

#### A. Burden Hours

*Title:* Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery.

*Abstract:* The information collection activity will garner qualitative customer and stakeholder feedback in an efficient, timely manner to improve service delivery. Below we provide the CPSC's projected average estimates of qualitative surveys, focus groups, customer satisfaction surveys, and usability tests for the next 3 years.

*Current Actions:* Renewal of collection of information.

*Type of Review:* Renewal.

*Affected Public:* Individuals and households, businesses and organizations, state, local, or tribal government.

*Average Expected Annual Number of Activities:* Eight activities, including qualitative surveys, focus groups, customer satisfaction surveys, and usability tests.

*Annual Number of Respondents:* 1,600. *Annual responses:* 1,600 *Frequency of Response:* Once per request *Average minutes per response:* 45 minutes per response.

*Annual Burden hours:* 1,200 An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a currently valid OMB control number.

*General Description of Collection:* The CPSC will collect, analyze, and interpret information gathered through this generic clearance to identify strengths and weaknesses of current services and make improvements in service delivery based on feedback. The solicitation of feedback will target areas such as: timeliness, appropriateness, accuracy of information, courtesy, efficiency of service delivery, and resolution of issues with service delivery. Responses will be assessed to plan and inform efforts to improve or maintain the quality of service offered to the public.

#### B. Request for Comments

The Commission solicits written comments from all interested persons about the proposed collection of information. The Commission specifically solicits information relevant to the following topics:

- Whether the collection of information described above is necessary for the proper performance of the Commission's functions, including whether the information would have practical utility;
- Whether the estimated burden of the proposed collection of information is accurate;
- Whether the quality, utility, and clarity of the information to be collected could be enhanced; and
- Whether the burden imposed by the collection of information could be minimized by use of automated, electronic, or other forms of information technology.
